RE: Temagami North Sewage Facility - EXP Proposal # 999-00057550-PP

Executive Summary

May 25/15
ECA#9498-9V7J5Y was issued to the Municipality of Temagami.

Within eighteen (18) months of the issuance date of this approval, the Owner shall submit an application to the Director for the installation of an effluent disinfection system for the Works along with a detailed design drawing, specifications and design calculations for the Proposed Works for approval by the Director.

March 2017
Contract Awarded to exp to Conduct a surface Water Impact Assessment in Temagami North. This assessment was to determine if the lagoon was having a impact on the E. Coli concentration in the lake. Results of the assessment indicated a quality impact.

September 27/17
An application was made to the Ontario Critical Infrastructure Fund for funding of a new sewage treatment plant. The funding was based upon the construction of a Rotating Biological Contactor and the results of the Surface Water Impact Study. Funding Request was unsuccessful.

March 21/18
A presentation by exp was made to the Mayor and Council of the Municipality outlining the project so far and making recommendation that the Municipality proceeded with the preliminary design of the RBC and the Town acknowledged receipt of the presentation and subsequently issues a purchase order for preliminary design.

August 20/18
As a requirement to move forward on the new sewage system ECA the MOE requested an Assimilated Capacity Assessment be conducted on Bay Lake, the receiving water body.

October 09/18
ECA#8347-B47PTP ECA (Draft) was issued by the MOE extending the Item 12 Condition to March 01/19 with the acknowledgment that the Ministry has still not evaluated the Assimilated Capacity Assessment.
Moving forward exp requests the Municipality acknowledge the proposed solution, a Rotating Biological Contactor (RBC) as the preferred solution which will allow exp to submit the ECA Application identifying this treatment option.

Sincerely,
EXP Services Inc.,

Mark Langille, P.Eng.,
Infrastructure Manager.
RECOMMENDATION
WHEREAS Council passed By-Law No. 05-628 being a by-law to adopt an emergency management program; AND WHEREAS Section 2.1 (1) of the Emergency Management Act requires every municipality to develop and implement an emergency management program; AND WHEREAS Section 3 (5) requires every municipality to conduct training programs and exercises to ensure the readiness of employees and other persons; AND WHEREAS changes are required to update the existing Emergency Plan to reflect the current provincial legislation, facilitate compliance with annual exercise requirements and introduce two new appendices for communications and evacuation planning; AND WHEREAS Staff recommends to Council to repeal By-Law No.05-628; AND WHEREAS if Council deems it desirable to adopt the attached Draft By-law to repeal and replace By-Law No. 05-628; NOW THEREFORE BE IT RESOLVED THAT Council receive Report 2018-023 and direct staff to proceed.

BACKGROUND
Changes to the Emergency Plan have been made to facilitate the municipality meeting the annual exercise requirement (specifically EM’s definition of MECG members)

The proposed changes that are included in the attached are as follows:
1. Community Control Group has been changed to Municipal Emergency Control Group (updated to reflect provincial legislation)
2. Removed “or alternate” from the list of MECG members, support agencies
3. Changed “Operations Officer/CAO” to “Operations Officer”
4. Reduced the members of the Municipal Emergency Control Group – to three – moving the remainder of the agencies to “support agencies” - to facilitate compliance when conducting annual desktop exercises (# of must attend the annual exercise is reduced to the 3 members of the MECG)
5. Reduced the number of MECG members needed before the MECG meeting can start (originally said 3 MECG members – reduced to 1, - with the expectation there would be support agencies relevant to the emergency in attendance)
6. Added 2 appendixes – Appendix O – Evacuation Planning, MOU’s; Appendix P – Communications
   • There will allow the CEMC a location in the appendices for associated documents (host community agreements, templates & good practices developed during the forest fire emergency)
Upon the arrival of one or more members, the Municipal Emergency Control Group (MECG) may initiate its function.

Ensure that all Community departments have been notified and either activated or placed on standby. Each MECG member is responsible for their own department.

The Mayor must inform the Province of Ontario that the Municipality of Temagami has declared an emergency, and specify the nature of the emergency situation. The provision of a return contact number is required for communications purposes. The call is made to the Emergency Management Ontario.

The number to use for this purpose is (416) 314-0472.

Turn to individual responsibilities within the plan. Provide input and assistance as required.

Each member of the MECG will report and respond to immediate needs in accordance with the Operations Cycle format.

Introduction

The Emergency Plan for the Municipality of Temagami has been developed to reflect the public safety requirements of our community. The effective use and maintenance of this plan is reliant upon all concerned being aware of its provisions and prepared to fulfill their roles and responsibilities in the event of an emergency. Responsible individuals, are expected to participate in emergency training, and exercises which will assist them in the fulfillment of their roles accordingly.

The heads of departments and agencies are expected to develop their own internal notification lists, procedures and contingency plans to fulfill their departmental or agency responsibilities.

Together we work to ensure that our community is prepared to respond to an emergency in the most effective manner possible.
The Aim of this plan is to protect the health, safety, welfare and property of our citizens, from the effects of a natural, technological or human caused emergency.
Authority

This Plan has been developed and will be implemented in accordance with the Emergency Management Act, detailed in Appendix “D”, which is the Provincial statute under which all emergency management activities are conducted in the Province of Ontario.

4.(1) “The head of council of a municipality may declare that an emergency exists in the municipality or in any part thereof and may take such action and make such orders as he or she considers necessary and are not contrary to law to implement the emergency plan of the municipality and to protect property and the health, safety and welfare of the inhabitants of the emergency area.”

This Emergency Plan and its elements has been issued under the authority of The Municipality of Temagami By-law No. 05-628. A copy of the By-law is available for inspection at the Municipal Offices.

Definition of an Emergency

1.0 “An emergency means a situation or an impending situation caused by the forces of nature, an accident, an intentional act or otherwise that constitutes a danger of major proportions to life or property.”

Action Prior to Declaration

When an emergency exists but has not yet been declared to exist, community employees may take such action(s) under this emergency response plan as may be required to protect property and the health, safety and welfare of the citizens of the Municipality of Temagami.
Requests for Outside Assistance

Assistance may be requested from the Province of Ontario at any time by contacting Emergency Management Ontario. The request shall NOT be deemed to be a request that the Province assume authority and control of the emergency.

The Emergency Notification Contact List, including contact numbers for requesting assistance, is contained within Appendix A.

Freedom of Information and Protection of Privacy

Any personal information collected under the authority of this Plan shall be used solely for the purpose of planning, preparing and conducting response to emergencies as defined with the Emergency Management Act, and the release of information under this Plan shall be made in conformity with the Municipal Freedom of Information and Protection of Privacy Act.
Plan Maintenance

The Plan was written in 2005 and it is essential that it be kept current and viable by adherence to a maintenance schedule. Responsibility for the plan being kept up to date rests with the Community Emergency Management Coordinator who may delegate tasks accordingly.

The emergency telephone numbers will be reviewed on an annual basis.

The notification system will be tested annually.

The plan will be exercised once every year as a minimum requirement.

The Control Group and Support Staff shall receive training and participate in an exercise, once every year as a minimum requirement.

The Vital Services and/or Local Services Directory should be updated annually.

The Community Emergency Management Coordinator will determine the schedule under which the maintenance activities will be performed.

The Community Emergency Management Coordinator may update, correct or amend any information contained within the appendices of this emergency plan on an as required basis.

(* = complete copy of plan with Annexes)

It is understood that Municipal Emergency Control Group members are not expected to carry a copy of the Municipality of Temagami Emergency Response Plan with them at all times. Complete copies of the Towns Emergency Response Plan including appendices will be used primarily for training or Emergency response. Since the nature of an Emergency notification normally requires an immediate response to the Municipal EOC, therefore complete copies, including all appendices, will be kept at the Emergency Operations Centre for issue during training or an actual municipal emergency. Every member of the primary Municipal Emergency Control Group, along with Council, will be issued a copy of the main body of the Emergency Plan.

2.0 Municipal Emergency Control Group (MECG) – Membership

The Municipal Emergency Control Group (MECG) is the group that is responsible for the direction and control of the overall emergency response within the community. The MECG ensures the provision of the essential services necessary to minimize the effects of an emergency on the community.

The Municipal Emergency Control Group is made up of the following members;

- Mayor
- CEMC
- Operations Officer

Support Agencies to the MECG:

- OPP
- Fire Departments /Chiefs
- EMS/Ambulance
- Public Works Superintendent
- Medical Officer of Health
- Evacuation Coordinator
- Emergency Information Officer (Planning officer)

IMPLEMENTATION:

Any member of the Municipal Emergency Control Group or MECG support agencies may request through the Operations Officer, or another member of the MECG in the absence of the Operations Officer, that the Emergency Plan be implemented.

The Emergency Plan may be implemented in whole, or in part, based on conditions at the site or severity of the situation.

The Operations Officer will immediately notify the Mayor, CEMC and Support Agencies (ad-hoc members) as required. Notification lists and procedures are located in Appendix A.
2.1 **Emergency Operations Centre Procedures (EOC)**

The Emergency Operations Centre (EOC) has both a primary and a secondary or alternate location. During the notification process, direction as to which location members of the MECG will report to will be given. For example, members will be told that this is an emergency plan activation and that they should report to the primary Emergency Operations Centre immediately. The primary and secondary locations are geographically separated so that if one or the other is endangered or rendered non-functional as a result of the emergency situation the other should be safe and operational.

Primary EOC Location; Municipality of Temagami Municipal Office  
7 Lakeshore Drive, Temagami South.

Alternate EOC Location; Temagami Community Centre  
100A Spruce Drive, Temagami North

Upon receiving notification the Operations Officer will contact the administrative staff who have been assigned the task of setting up the EOC. The EOC will be set up and operational within one hour of activation. The Operations Officer will supervise the set up and ensure operational viability.

Upon arrival at the EOC, each MECG member/designate will;

a. Sign In  
b. Check telephone/communications devices.  
c. Open personal log.  
d. Contact their own agency and obtain a status report.  
e. Participate in the initial briefing.  
f. Participate in planning initial response/decision making process.  
g. Pass MECG decisions on to member’s agencies/areas of responsibility.  
h. Continue participation in the EOC Operations Cycle.

Upon leaving the Emergency Operations Centre, each Control Group member will;

a. Conduct a hand over with the person relieving them.  
b. Sign out on the location board indicating where they can be reached.

Once the initial response is established, routines are put into place by the Operations Officer. The MECG functions most efficiently on a system known as an Operations Cycle.
2.2 **Operations Cycle**

An operations cycle is how the Municipal Emergency Control Group manages overall emergency operations. Municipal Emergency Control Group members will come together usually around a planning board or map at which time they will in turn report their agencies' status to the Mayor and Operations Officer. It is essential that every member, covering each area of responsibility, be heard from during this process. The Municipal Emergency Control Group is a team, and the actions taken by one, or the lack of action by one, may have a significant impact upon operations.

The round table discussion should include problems, questions, resources requests and any other relevant information so that timely informed decisions can be made as a group. Once the meeting is completed, the members should contact their agencies' and pass on any relevant information or directives that come out of the Control Group meeting. The frequency of the meetings are determined by the Operations Officer in conjunction with the Mayor, but should reflect the pace of the emergency and occur on a scheduled basis which may be adjusted accordingly.

During the period after the meeting and dissemination of information, members will be in the process of gathering information and preparing for the next scheduled meeting. The Municipal Emergency Control Group members use this time to follow up and ensure that Control Group decisions are being implemented. Each member is responsible for informing their respective agency of the schedule for MECG meetings. No calls are supposed to interrupt the proceedings. All calls must occur prior to or after the formal meetings of the Municipal Emergency Control Group.

It is essential that the Emergency Operations Centre is comfortable, has good communications and is secure from unnecessary distractions. Only Municipal Emergency Control Group members, support agencies requested to participate and support staff should have access to the Emergency Operations Centre. No media are allowed into the Emergency Operations Centre, nor is anyone who has not been authorized by the Operations Officer.
2.3 **Municipal Emergency Control Group (MECG)**

The Municipal Emergency Control Group is responsible for the following:

1. Implementing the Emergency Plan in whole or in part to respond to an impending, potential, or existing emergency.

2. Coordination and direction of Community resources used to mitigate the effects of an emergency.

3. Ensuring that the composition of the MECG is appropriate to mitigate the effects of a given emergency situation, by determining which, if any, ad-hoc members are required.

4. Advise the Head of Council regarding need for declaration or termination of an emergency.

5. Advising the Head of Council regarding requests for assistance from the Province, and the Federal Government.

6. Ensuring the provision of essential resources and services to support emergency response activities.

7. Coordination of services provided by outside agencies.

8. Appointing or Confirming an Emergency Site Manager.

9. Ensuring that the Emergency Information Officer is kept informed and up to date to facilitate the information flow to the media and the public.

10. Coordinating the evacuation of citizens who may be in danger.

11. Discontinuing utilities or services provided by public or private concerns, ie. Hydro.

12. Coordination for volunteers.

13. Establishment of advisory subcommittees to work on specific problem areas related to the emergency, as required.

15. Maintenance of an operational log detailing the group’s decisions and activities.

16. Deactivating the plan, and notifying all of those who had been notified of its activation.

17. Conducting and participating in a debriefing, generating a post-emergency report and implementing recommendations for improvement of the emergency response plan.
2.4 Mayor

The Head of Council, or designate, is responsible for:

a. Declaration of an Emergency.

b. Termination of an Emergency.

c. Notifying the Province of Ontario of the declaration of emergency, and termination of
   the emergency.  *(Contact made through Emergency Management Ontario)*

d. Take such action and make such orders, as considered necessary and not contrary to
   law, in order to protect the health, safety, welfare, environment and property of
   residents in the Municipality of Temagami.

e. Ensuring the members of Council are advised of the declaration and termination of an
   emergency, and are kept informed of the emergency operational situation.

f. Ensuring that the local MPP and MP, and neighboring municipalities are advised of the
   declaration and termination, and kept informed of the emergency situation.

g. Approving all major announcements and media releases prepared by the Public
   Information Officer, in conjunction with the Operations Officer & Control Group.

h. Maintaining a personal log.
2.5 **Operations Officer**

The responsibilities of the Operations Officer are:

a. Activating the emergency notification system.

b. As the Operations Officer, coordinating all operations within the Emergency Operations Centre, including the scheduling of regular meetings.

c. Chairing meetings of the Municipal Emergency Control Group.

d. Advising the head of council on policies and procedures, as appropriate.

e. Approving, in conjunction with the head of council, major announcements and media releases prepared by the Emergency Information Officer, in conjunction with the MECG.

f. Ensuring that a communication link is established between the Municipal Emergency Control Group and the Emergency Site Manager.

g. Calling out additional staff as required.

h. Maintaining a master record of all events and actions taken. (main events board)

i. Maintaining a personal log.
2.6 Community Emergency Management Coordinator - CEMC

The Community Emergency Management Coordinator is responsible for:

a. Requesting activation of the emergency notification system.

b. Provide information, advice and assistance to members of the Municipal Emergency Control Group on Emergency Management programs and principles.

c. Provide direction to Emergency Operations Centre support staff as required in support of the Control Group, and ensure proper set-up and operation of the Emergency Operations Centre.

e. In conjunction with the Operations Officer, coordinate a post-emergency debriefing and assist in the development of a final report to the Mayor and Council.

f. Maintaining a personal log.
2.7 OPP representative

The Ontario Provincial Police Representative or alternate is responsible for:

a. Requesting activation of the emergency notification system.

b. Establishing and maintaining ongoing communications with the senior police representative at the emergency site.

c. The provision of traffic control to facilitate the movement of emergency vehicles.

d. Co-ordination of evacuation routes.

e. The protection of life and property and the provision of law and order.

f. Ensure perimeter security and crowd control at emergency site.

g. The provision of police services in evacuation centres, morgues, and other facilities as required.

h. Notifying the coroner of fatalities.

i. Liaison with external police agencies, as required.

j. Providing an Emergency Site Manager if requested to by the Municipal Emergency Control Group.

k. Maintaining a personal log.
2.8 Fire Chief

The Fire Chief, or designate, is responsible for:

a. Requesting activation of the emergency notification system.

b. Providing the Municipal Emergency Control Group with the information and advice on fire fighting and rescue matters.

c. Establishing an ongoing communications link with the senior fire official at the scene of the emergency.

d. Initiating Mutual Aid as required.

e. Determining if additional or specialized equipment is required ie. Protective suits, Chemical, Biological, Radiological, Nuclear team (Haz-Mat), etc.

f. Coordinating or providing assistance with, rescue, first aid, casualty collection, evacuation etc.

g. Providing an Emergency Site Manager as required.

h. Maintaining a personal log.
2.9 **EMS / Ambulance**

The EMS/Ambulance representative is responsible for:

a. Requesting activation of the emergency notification system.

b. Providing the Municipal Emergency Control Group with information and advice on treatment and transport of casualties.

c. Liaise with the Medical Officer of Health, area hospitals, police and fire officials during an emergency situation.

d. Alert all staff using the Provincial Health Emergency Alert System.

e. Take charge of casualties within the emergency area and be responsible for triage, lifesaving care, and the transport to area hospitals.

f. Maintaining a personal log.
2.10 **Public Works Superintendent**

The Public Works Superintendent or alternate is responsible for;

a. Requesting activation of the emergency notification system.

b. Providing the Municipal Emergency Control Group with information and advice on Public Works matters.

c. Ensure Municipal facilities are available for evacuation or reception center purposes if required.

d. Liaison with the senior public works officers from the neighboring community(s) to ensure a coordinated response.

e. The provision of engineering assistance.

f. The construction, maintenance and repair of public roads.

g. Assistance with road closures and/or roadblocks.

h. Maintenance of sanitation and a safe supply of potable water, as required.

i. The provision of equipment for emergency pumping operations.

j. Discontinuing any public works service to any consumer, as required, and restoring these services when appropriate.

k. Liaise with Electrical and Gas utilities.

l. Providing public works vehicles and resources to any other emergency service, as required.

m. Maintain liaison with flood control, conservation and environmental agencies and being prepared to take preventative action.

n. Providing an Emergency Site Manager if required.

o. Maintaining a personal log.
2.11 **Medical Officer of Health**

The Medical Officer of Health, or designate, is responsible for:

a. Acting as a coordinating link for all emergency health services at the Municipal Emergency Control Group.

b. Liaison with the Ontario Ministry of Health, Public Health Branch.

c. Liaison with the Community Care Access representative.

d. Providing advice on any matters that may adversely affect public health.

e. Providing authoritative instructions on health and safety matters to the public through the Emergency Information Officer.

f. Coordinating the response to disease related emergencies or anticipated emergencies such as epidemics, according to Ministry of Health policies.

g. Ensuring liaison with voluntary and private agencies, as required, for augmenting and coordinating public health resources.

h. Ensuring coordination of all efforts to prevent and control the spread of disease during an emergency.

i. Liaison with the Evacuation Coordinator representative regarding health services in evacuee centers.

j. Maintaining a personal log.
2.12 **Evacuation Coordinator**

The Evacuation Coordinator or alternate is responsible for:

a. Ensuring or arranging for the care, feeding and temporary shelter of evacuees.

b. Management of reception and evacuation centers.

c. Liaison with the Medical Officer of Health in areas regarding public health in evacuation centers.

d. Liaison with the public school board regarding the use of school facilities for reception and evacuation centers.

e. Liaison with Canadian Red Cross if required.

f. Liaison with local volunteer groups regarding care of citizens at local reception or evacuation centers.

g. Maintaining a personal log.
2.13 **Emergency Information Officer**

The Emergency Information Officer is responsible for:

a. Notifying information centre staff.

b. Ensuring that the Information Centre is set up and operational.

c. Initial and subsequent media releases, subject to approval by the Mayor and Operations Officer.

d. Establish and maintain linkages with provincial, municipal and industry media officials as appropriate.

e. Coordinate interviews and media conferences.

f. Designate a site media spokesperson as appropriate.

g. Ensuring set up and staffing of public inquiry lines.

h. Coordination of public inquiries.

i. Monitoring news coverage.

j. Maintaining copies of all media releases.

k. Maintaining a personal log.
Part 3    Emergency Support

3.0 Administrative Assistant(s)

The Administrative Assistant(s) is/are responsible for:

a. Assisting the Operations Officer and/or CEMC, as required.

b. Ensuring all important decisions made and actions taken by the Municipal Emergency
   Control Group are recorded.

c. Ensuring that maps and status boards are kept up to date.

d. Notifying any additional support staff required to assist.

e. Arranging for printing of material, as required;

f. Coordinating the provision of clerical staff to assist in the Emergency Operations
   Centre, as required.

  g. Ensuring identification cards are issued to authorized Municipal Emergency Control
     Group members and Support Staff for access to Emergency Operations Centre.

  h. Other duties as assigned by the Operations Officer and/or CEMC.
3.1 **Canadian Red Cross - Responsibilities**

The representative of the Canadian Red Cross is responsible for:

a. Upon receiving notification, activating the local Red Cross Emergency Response Plan.

b. Providing support to the emergency response.

c. Providing registration and inquiry services if required.

d. Assisting Ambulance personnel at first aid stations established at reception centres, on an as-need basis.

e. Liaising with Regional Red Cross to access additional resources. i.e. Emergency Response Team.

f. Establishing and maintaining contact with the Evacuation Coordinator in the Emergency Operations Centre to co-ordinate activities.
### 3.2 Clergy Responsibilities

The local Clergy representative is responsible for:

b. Establishing visitations to evacuees in evacuation centres on a scheduled basis.
c. Providing guidance to the Municipal Emergency Control Group regarding matters of a religious nature.
d. Providing advice regarding care of the deceased in areas that relate to religious observances.
e. Liaising with Evacuation Coordinator regarding the use of churches and related facilities for reception and evacuation centres.
3.3 **Board of Education - Responsibilities**

The local Board of Education representative is responsible for:

a. Providing schools for reception centers as required and/or applicable.

b. Providing schools for evacuation centers, as required and/or applicable.

d. Providing liaison with the Evacuation Coordinator and the Municipal Emergency Control Group.
3.4 **Legal Advisor - Responsibilities**

The municipal legal advisor is responsible for:

a. Providing legal opinions and advice to the Municipal Emergency Control Group as required.

b. Providing legal representation as required.
BEING A BY-LAW to repeal and replace By-Law No. 05-628 an emergency management program for the Municipality of Temagami, pursuant to Section 2.1 (1) of The Emergency Management Act, R.S.O., 1990, Ch. E 9, as amended.

WHEREAS the Emergency Management Act, Section 2.1 (1) requires every municipality to develop and implement an emergency management program;

AND WHEREAS Section 2.1 (2) of the Emergency Management Act stipulates the content of each municipality’s emergency management program;

AND WHEREAS Section 14(1) of the Emergency Management Act requires emergency management programs to conform with regulatory standards, in accordance with international best practices;

AND WHEREAS the Act makes provision for the Head of Council to declare an emergency exists in a community, or any part thereof, and also provides the Head of Council with authority to take such action or make such orders as he/she considers necessary and not contrary to law, to implement the emergency response plan and respond to an emergency;

AND WHEREAS the Act, consistent with Section 242 of the Municipal Act, S.O., 2001, as amended, provides for the designation of one or more members of council who may exercise the powers and perform the duties of the Head of Council during his/her absence or his/her inability to act or the office is vacant;

AND WHEREAS the Act authorizes employees of a community to respond to an emergency in accordance with the emergency response plan where an emergency exists but has not yet been declared to exist;

NOW THEREFORE Council for the Corporation of the Municipality of Temagami hereby enacts as follows:

1) That an Emergency Management Plan be amended as per the attached Schedule A for the Municipality of Temagami to be consistent with and in accordance with international best practices as considered by Regulatory Standards established under the Act, including the four core components of emergency management, namely: mitigation/prevention, preparedness, response and recovery;

2) That the Emergency Management Plan for the Municipality of Temagami shall be consistent with the objectives of protecting public safety, public health, the environment, critical infrastructure and property, and to promote economic stability and a disaster-resilient community;

3) That Schedules “A”, attached hereto, shall form part of this By-law:

- Schedule A, being the Emergency Plan for the Municipality of Temagami, pursuant to Section 3 of the Emergency Management Act, R.S.O., 1990, Ch. E9, as amended
4) **That** the Municipality of Temagami’s *Emergency Management Program* shall be reviewed annually by Council;

5) **That** the Clerk of the Municipality of Temagami is hereby authorized to make minor modifications or corrections of a grammatical or typographical nature to the by-law and schedule, after the passage of this by-law, where such modifications or corrections do not alter the intent of the by-law.

6) **That** By-law 05-628 be repealed;

7) **That** this By-law shall come into force and effect on the date of Third and Final reading.

**READ a First and Second time this 18th day of October, 2018.**

**READ a Third and Final time this 18th day of October, 2018.**

Clerk
Subject: Impact of Minimum Wage Increase

Agenda Date: October 18, 2018

Attachments:

**RECOMMENDATION**

That Council receive Memo 2018-M-063 regarding the impact of the minimum wage increase and further that Council approves a 5.74% increase to the salary/wage grid effective January 1, 2018, which would ensure that all of the rates included on the grid comply with the minimum wage standard.

**INFORMATION**

Council received Memo 2018-M-014 on March 22, 2018. This memo recommended a phase in of the impact of the minimum wage increase over an unspecified number of years. The supporting calculations were based on the effect of minimum wage moving from $11.60 to $14.00 per hour.

If, instead, the wage structure that is presently in effect is examined, there is one category where our present approved wage rate is below the new standard of minimum wage. That rate is presently $13.24 per hour. If the impact is based on bringing this wage rate to the new standard, the difference that would require adjustment equates to $0.76 per hour or 5.74%.

With the principals of Pay Equity, it is also important that the various wage categories within a unit are adjusted at the same rate to ensure equity remains. As such, this 5.74% would be applied to the other categories on the non-union wage grid maintained by the Municipality. (Please note that each bargaining unit have their own pay equity requirements).

In January 2018, the stated CPI for the past year was 1.7%. As the suggested increase is more than the stated CPI, the Cost of Living Adjustment could be considered to be within the increase through minimum wage.

It is estimated that the effect of this increase, based on the maximum levels of each wage position, would be $43,000. Included in the 2018 Annual Budget is $30,000 for future wage increases. The remaining $13,000, and the effect of the increase in statutory benefits would be funded through the budget surpluses created as some positions have sat vacant for periods of 2018.

While the recommendation is for the grid to be adjusted effective January 1, 2018, Council does have the option of moving the effective date to April 1, 2018 which would correspond to the increase in the minimum wage and also have the effect of ensuring any COLA would also be met.

Further increases in minimum wage are yet to be confirmed by the new Provincial Government. These can be reviewed when known and recommendations to ensure that any changes in this standard and our policies are both respected can be made at that time.

RECOMMENDATION

BE IT RESOLVED that the Council of the Municipality of Temagami receive this report for information.

INFORMATION

I attended the Association of Municipal Managers, Clerks, and Treasurers of Ontario Zone 7 fall meeting September 13th and 14th. While there were standard updates from the Ministry of Municipal Affairs and Housing and the Municipal Property Assessment Corporation (MPAC), most of the other presentations dealt with orientation sessions for newly elected Councils and the legislated need for municipalities to have an Integrity Commissioner appointed by the end of March 2019. There was much concern expressed by those in attendance, how the latter would impact budgets in the short term.

From September 18th to September 21st I attended the annual conference of the Municipal Finance Officers Association. Part of the offerings were updates from the Federation of Canadian Municipalities on grant programs being worked on, updates from the Association of Municipalities of Ontario regarding the Federal Gas Tax Program as well as updates concerning further accounting changes for the Public Sector over the next few years. There was some emphasis on the new provisions of the Provincial regulation governing reporting for Asset Management Plans and I will be attending further training on this topic in Sudbury on November 6th.

All tax adjustments that had been received prior to August 31st have been processed. There are some cases where there is a lag between the time decisions from the Assessment Review Board are received and the appropriate phased-in assessment information is received through MPAC through their Minutes of Settlement process. While we have fielded some calls from ratepayers wondering where their adjustment is or when it will be processed, for the most part this is a result of the time lag.

On review it was noted that none of our HST returns had yet to be filed. We are now current with this filing. We are also working through the various reconciliations ensuring any required entries are recorded in the general ledger. We should be in the position to have budget vs actual reports available for the next meeting of Council. Also, we should be able to have the auditors attend the next meeting of Council to present the 2017 audited financial statements which is the last requirement prior to these statements being issued.

Town Council
Municipality of Temagami
PO Box 220
Temagami, Ontario POH 2HO

To Whom it May Concern:

During the extreme fire season of Summer 2018 on Lake Temagami, I worked with Town Council to reinstate a subsidy for residents who lived remote to central fire services if they purchased a fire pump for personal protection. I purchased a fire pump on July 10th relying on the guidelines of the previous subsidy. On July 26th the Council approved a formal resolution for a subsidy and specified a particular HONDA motor as part of the plan. My fire pump has a slightly different HONDA motor. Hence my request for subsidy was rejected.

Attached are summary specifications for the two motors. I fail to see any significant difference in quality or power in terms of input, output, lift, rate of flow, etc and respectfully request that the Council reconsider my application as this pump was purchased in good faith at the height of the very active fire risk in the general Temagami area (and with a fire burning on mainland less than 3 miles south of my cottage).

Fire is likely to remain a significant challenge on the lake in years to come and I believe the value to all residents of having prepared cottagers on the lake, ready to react quickly with proper equipment, is important. I believe the Bear Cat Fire Pump I purchased meets the intended standards and hope my application will be reconsidered.

Sincerely,

Russ Tuckerman
9/22/18
ECHO Bear Cat's FP2126, fire cart features a Honda GX200 engine. The cart is designed with oversized 6-spoke wheels to allow easy movement across uneven terrain. The durable tubular steel frame provides the pump and engine with maximum protection and safe operation.

Features:

- 196cc HONDA GX200 Engine
- Recoil Start & Low Oil Alert
- Fuel Tank Capacity 0.82 GAL. (3.1L)
- 2" Intake Connection MNPT
- 2" Outlet Connection MNPT
- 126 GPM Max Flow
- 85 MAX. PSI
- Centrifugal Pump
- Aluminum Impeller and Housing
- Cast Iron Volute
- 197' Total Lift
- 26' Suction Lift

Items Included:

- 50' x 1.5" Fire Hose with Fittings
- 12' X 2" Suction Hose with Foot Valve
- Priming Jug
- Fire Nozzle

Dear Chamber Member:

We are holding Our Annual Wild Game Dinner and Silent Auction at the Temagami Arena on Saturday, November 17th, 2018.

This event (specifically the Silent Auction) is the major fund raiser for the Temagami & District Chamber of Commerce a donation from your business towards our Silent Auction would be greatly appreciated and shows your support for this wonderful event.

You can drop off your donations at the Chamber Office/Information Centre at 6715 Hwy 11N (Train Station) but please email us first at info@temagamiiinformation.com to arrange a drop off time that works for you and I will be glad to meet you there.

Or I would be happy to have myself or a representative of the Chamber come to your place of business to pick up your donation if this is more convenient for you.

Your continued support and donation is greatly appreciated and helps make this event the success it has become.

I look forward to hearing from you.

Regards,
Debbie Morrow

Attention: Mayor Laurie Hunter and Council
Re: Request support for the Temagami Lions Seniors Christmas Dinner (Nov. 25/2018)

The Temagami Lions Club will be holding their annual 35th Seniors Christmas Dinner again this year on Sunday Nov. 25, 2018 for deserving Senior Citizens within the Temagami community. As Council is aware many of the senior citizens are very active within various clubs within our community. Many of the services provided by the seniors are essential programs to the betterment of our community e.g. health and well being of the community.

The Lions Seniors Christmas Dinner has always been held at the Temagami Community Center with support from the Municipality of Temagami. This year we expect 150+ seniors will be attending this special event. We expect an increase in senior’s attendance this year due to an influx of new residents within our community who are of age to attend this function.

We as Lions Club members are asking for your support by waiving the arena fees for the November 25th event. Also, the Municipality of Temagami for the past number of years has always supported refreshments for this special annual event.

As the Municipal Council is aware the Lions Club is a very small but a very active Club who work hard for the betterment of our community. Thank you in advance for your continued support.

Yours

Lion Jane Dougall

Nipissing-Timiskaming
Good Afternoon,

On behalf of the Transforming Ontario’s North (TON) Summit Committee, we would like to thank you for your participation at the TON Summit last week. This evolutionary Summit was an exciting start to fostering a stronger Northern Ontario and developing a roadmap to grow the North.

We have attached the following items for your review as a TON Summit participant:

1. List of Registrants - Due to a great deal of networking that took place during the 3-day event, we wanted to ensure that relationships could still be fostered after the event. A list of all participants and their organizations have been attached for your reference.

2. TON Summit Survey - In order to gauge feedback from TON Summit participants, we developed a survey for your completion. This was shared with participants on Thursday, however, we know that some of you were unable to attend the entire Summit. If you have not yet completed the Survey, could you please complete and send it back to me to ensure future TON Summits meet your needs.

3. Accord and Statement of Common Purpose - As a part of the TON Summit, an Accord and Statement of Common Purpose was created on Thursday, September 13th with available participants. The signed Statement and Accord will be shared with communities across Northern Ontario as well as the Federal and Provincial government in the very near term. It will be used to build consensus and collaboration on Northern Development. The Accord is currently in the process of being translated into French, Anishinawbek and Cree.

4. Action Items - In order to drive the TON Summit movement forward, an action item document was developed to ensure continued growth of the initiative. The Project Committee will work together to drive this initiative forward with the support of all northern communities.

We kindly request that you share this information with colleagues that were unable to attend the Summit in order to stimulate conversation and assist in driving this Accord and TON movement to the next step.

Thank you again for your participation last week and we hope you enjoyed the first TON Summit.

Warm regards,

Natasha Penn

</table>
INTRODUCTION:

The traditional territories of the Cree and Anishinabek peoples encompass all of Northern Ontario. It is home to over 780,000 people and encompasses 90 percent of Ontario’s landmass in which five main Treaties are enacted. Northern Ontario’s diverse population and economy hold vast promise that remains profoundly untapped.

On September 11 -13, 2018 in Cochrane Ontario, municipal and Indigenous community leaders, experts in business, industry, economics, policy and education gathered to participate in an evolutionary Summit to find common ground and begin work that will set Northern Ontario on course to achieve sound, sustainable, diversified and equitable socio-economic growth.

For three days, Transforming Ontario’s North (TON) Summit participants candidly shared their experiences, vision and knowledge to arrive at the following Statement of Common Purpose.

Much work remains to be done in bringing ALL Northern Ontario communities together in launching a movement that will encourage ongoing TON Summits as Northerners work together to revise and refine this living agreement. This Accord and Statement of Common Purpose is intended to ensure the region achieves its full potential and generates prosperity for its citizens and the Province of Ontario as a whole. Northern leaders, regulators, experts and practitioners have come together to identify the framework for the North to become a more significant contributor to a better Ontario. This Accord formally validates our mutual commitment to the outcomes of the Summit and the respective expectations of the region moving forward. It is a testament to the region’s commitment to work with governments, transcending political terms of office, to mutually take Northern Ontario on the path of reaching its full potential.

The participating Northern Leaders of the Transforming Ontario’s North Summit support and endorse the following purpose and expectations:

“

Our purpose is to directly influence our future and to develop a Northern Ontario where everyone works together within a common vision to guarantee that community actions and government policy reflect the history and reality of all of Northern Ontario’s regions.
The signatories of this document support and endorse the following foundational principle:

"Consultation is not enough. Indigenous and non-Indigenous communities must walk together on the basis of friendship, respect, trust and reconciliation."

The signatories of this document validate the expectations set by the Summit participants and endorse the following foundational goals for the re-energizing and development of Northern Ontario:

1 GROW THE NORTHERN FAMILY

Work together. A unified Northern family that is inclusive of Indigenous and non-Indigenous, francophone and all people to strengthen Northern Ontario's relationships with Southern Ontario, neighbouring provinces and the United States.

Speak with a common voice. Collectively and inclusively build a set of principles and priorities to guide ongoing consultation, engagement and program development with government agencies.

Grow the wealth together. Shared development and management of resources in the co-creation of opportunities to derive mutual benefit.

2 MOVE, ATTRACT AND RETAIN PEOPLE

Retain and grow the workforce. Foster workforce development that is fully inclusive of Indigenous peoples and will meet the need for skilled labour, professional services, entrepreneurship, strong communities and enriched cultural identify.

3 ESTABLISH MODERN AND FORWARD THINKING INFRASTRUCTURE CAPACITY

Attract Investment:
Invest in modern infrastructure. Innovate and build clean, affordable energy, transportation and information technology infrastructure to support the desired growth of Northern Ontario.

4 ESTABLISH LONG-TERM MULTI-GENERATIONAL COMPREHENSIVE BUSINESS PLAN

The plan should:

• Cover decades in scope, outlive governments and elevate province wide integration;
• Identify all opportunities and position the North to reach its full potential; and
• Identify financial resources required, and the sources of said funding.
Thank you for attending The Northern Ontario Leadership Summit!

Please fill out this short survey to help us improve this event and others like it!

1. On a scale from 1-10, 1 meaning dis-satisfied and 10 meaning satisfied, how well did the event meet your expectations?

1  2  3  4  5  6  7  8  9  10

2. On a scale from 1-10, 1 meaning dis-satisfied and 10 meaning satisfied, how beneficial did you find the Think Tank sessions to be?

1  2  3  4  5  6  7  8  9  10

3. Did you feel you were given sufficient time and opportunity to provide your input?

☐ Yes  ☐ No

If you answered No, please elaborate:

10. Would you like to be added to the distribution list for updates regarding TON? To submit an anonymous survey, please provide your contact information and submit it separately from the survey.
Name: __________________________________________

Organization: __________________________________________

Phone: __________________________________________

Email: __________________________________________

Mailing Address: __________________________________________

Thank you for taking the time to fill out this survey and participating in Transforming Ontario's North!
No later than September 13, 2018 issue a statement to Northern Ontario Media outlining the stated purpose and key points derived from the Summit agreement.

By September 19, 2018, communicate to all Summit participants the final Accord documents and Statement of Common Purpose dated September 13, 2018.

No later than September 27, 2018 issue to media the full Statement of Common purpose and Accord.

On September 27, present an overview of TON Summit 2018 at State of the North in North Bay.

By October 8, 2018 present to all Northern Ontario communities (Indigenous and non-Indigenous) a copy the final Accord documents and Statement of Common Purpose dated September 13, 2018.

Before November 1, 2018 distribute a brief, well-articulated video for distribution to all Northern communities, relevant government ministers, agencies and organizations.

By November 1, 2018, present final Accord documents and Statement of Common Purpose dated September 13, 2018 to all relevant government ministers and agencies as well as Northern Ontario municipal organizations such as, but not limited to, NOMA, FONOM, NOLUM. Set up an introduction of the Accord and expectations to the Province through the organization of a Queen's Park Day to liaise directly with key Ministers and Ministries.

For a period of not less than three months, record all comments and recommendations from Northern Ontario with respect to the Accord and Statement of Common Purpose and provide that record to future Summits and/or as requested by the councils of all Northern Ontario Indigenous and non-Indigenous communities.

Establish a TON Summit movement through the empowerment and engagement of the Northern Family.

Identify a vehicle to lead this movement and implement social, media and communications strategies to build momentum. Establish the budget requirements for moving this forward to ensure adequate financial and human resources are available to maximize success.

Develop presentation packages that highlight the Statement of Common Purpose and the Accord for:

1. Government (demonstrate how accord fits with revenue sharing model and other stated mandates)
2. Northern Communities
3. Northern organizations, business, industry

No later than Spring 2019, work with Northern communities to organize and run a second Summit in Northwestern Ontario.

ONTARIO ENERGY BOARD NOTICE
TO CUSTOMERS OF UNION GAS LIMITED

Union Gas Limited has applied to introduce a new firm transportation service under Rate M17 for gas distributors and to modify the applicability of existing bundled delivery service and semi-unbundled storage and transportation service under Rate M9 and Rate T3 rate schedules respectively.

Learn more. Have your say.

Union Gas Limited has applied to the Ontario Energy Board to introduce firm transportation services for gas distributors that will have competitive storage and gas supply options under a new M17 rate class effective January 1, 2019. Union Gas Limited has proposed the new M17 service in response to a request by EPCOR Southern Bruce Gas Inc. for gas transportation services to the South Bruce expansion area.

Union Gas Limited is also seeking approval to limit the applicability of its Rate M9 and Rate T3 rate schedules to existing gas distributors.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING
The Ontario Energy Board (OEB) will hold a public hearing to consider the application filed by Union Gas. We will question Union Gas on the case. We will also hear questions and arguments from individual customers and from groups that represent the customers of Union Gas. At the end of this hearing, the OEB will decide whether the proposed new transportation services and changes to existing rate schedules will be approved.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

BE INFORMED AND HAVE YOUR SAY
You have the right to information regarding this application and to be involved in the process.
- You can review the application filed by Union Gas on the OEB’s website now.
- You can file a letter with your comments, which will be considered during the hearing.
- You can become an active participant (called an intervenor). Apply by October 1, 2018 or the hearing will go ahead without you and you will not receive any further notice of the proceeding.
- At the end of the process, you can review the OEB’s decision and its reasons on our website.

LEARN MORE
Our file number for this case is EB-2018-0244. To learn more about this hearing, find instructions on how to file letters or become an intervenor, or to access any document related to this case, please enter the file number EB-2018-0244 on the OEB website: www.oeb.ca/participate. You can also phone our Public Information Office at 1-877-632-2727 with any questions.

ORAL VS. WRITTEN HEARINGS
There are two types of OEB hearings – oral and written. The OEB will determine at a later date whether to proceed by way of a written or oral hearing. If you think an oral hearing is needed, you can write to the OEB to explain why by October 1, 2018.

PRIVACY
If you write a letter of comment, your name and the content of your letter will be put on the public record and the OEB website. However, your personal telephone number, home address and e-mail address will be removed. If you are a business, all your information will remain public. If you apply to become an intervenor, all information will be public.

This rate hearing will be held under section 36 of the Ontario Energy Board Act, S.O. 1998 c.15 (Schedule B).
August 30, 2018

Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, 27th Floor
Toronto, ON M4P 1E4

Dear Ms. Walli:

RE: EB-2018-0244 – Union Gas Limited (“Union”) - Rate M17 Firm Transportation Service

Please find attached Union’s application and evidence seeking approval of a new firm transportation service for gas distributors under the Rate M17 rate class, effective January 1, 2019. This application is made pursuant to Section 36 of the Ontario Energy Board Act, 1998. Union is also seeking approval to modify the applicability of its approved Rate M9 and Rate T3 rate schedules for existing gas distributors.

The application and evidence have been filed through the Ontario Energy Board’s (“the Board”) RESS and will be available on Union’s website at: www.uniongas.com.

Should you have any questions on the above or would like to discuss in more detail, please contact me at 519-436-5473.

Yours truly,

Subject: Hydro One Project Notice of Commencement: Circuit D2L Wood Pole Replacement  

Hello,  

Please see the attached notification letter regarding a Class EA subject to a screening process that Hydro One is initiating for a priority wood pole replacement project in the Municipality of Temagami. Enclosed is also a map of the study area.  

One wood pole structure on transmission line Circuit D2L has been identified as requiring replacement due to compromised structural integrity. Replacing the damaged structure would ensure the continued reliability and integrity of this transmission line and electricity supply to the area. The replacement work may begin as early as mid-October 2018 and be completed within a few days, before the end of the year. Any comments or concerns would be greatly appreciated prior to October 5, 2018.  

If you have any questions, please feel free to contact me.  

Kind regards,  
Jennifer Vuong

Re: Wood Pole Replacement of a 115 kilovolt Transmission Structure (Circuit D2L) located in the Municipality of Temagami

Dear Ms. LePage:

This letter is to inform you that Hydro One Networks Inc. (Hydro One) has initiated a Class Environmental Assessment (EA) to refurbish one wood pole structure along the existing 115 kilovolt (kV) transmission line (Circuit D2L). The project area is shown on the attached map.

This pole was identified for replacement as the integrity of the structure has deteriorated and requires refurbishment. Replacing this damaged structure would ensure the continued reliability and integrity of this transmission line and electricity supply to the area. Most work would be carried out within the existing transmission corridor, with no new corridor being required. Access would be accomplished using existing roads and trails. There would be very little noticeable difference in this transmission line after the project has been completed.

This type of project is considered routine maintenance work with relatively minor effects and is subject to the Class Environmental Assessment for Minor Transmission Facilities (Hydro One, 2016), in accordance with the Ontario Environmental Assessment Act. The Class EA is a streamlined planning process that has proven effective in ensuring that minor transmission projects that have a predictable range of effects have feasible environmental mitigation and/or protection measures in place. The Class EA process contains screening provisions that may apply to this project.

Contingent on the outcome of the Class EA, the wood pole replacement work may begin as early as mid-October 2018 and be completed within a few days, before the end of the year.

If you have any questions, or would like additional information regarding this project, please feel free to contact me at (416) 345-1378, or Jennifer.Vuong@HydroOne.com. Your input for this project is valued and would be appreciated by October 5, 2018.

As per the request of the Minister of the Environment, Conservation and Parks, information regarding the Freedom of Information and Protection of Privacy Act is included and can be viewed below.
Sincerely,

[Signature]

Hello/Bonjour,

Hope you are doing well. I am the Coordinator of Communication and Administration for Professions North/Nord and wanted to touch base about our program.

Professions North/Nord is a bridge training program, funded by the Government of Ontario, that assists internationally trained professionals find employment in Northern Ontario and employers find qualified candidates since 2010.

I've attached digital copies of our new brochures! If you'd like to receive paper copies, please let me know.

We would like to invite you to visit our bilingual website and feel free to share with your contacts https://professionsnorth.ca/

Have a great day!

(Le français suit)

PRESENTATIONS BY CANADIAN ARMED FORCES
MEMBERS DURING VETERANS’ WEEK

September 18, 2018

During Veterans’ Week 2018, from November 5 to 11, Canadians will come
together to pay tribute to all Veterans who have served and who continue to
serve this country with pride.

In support of Veterans’ Week, current members of the Canadian Armed Forces
(CAF) are available to give presentations at schools and community
organizations across Canada as part of the Department of National Defence’s
National Veterans’ Week Speakers Program.

The primary objectives of this program are to foster public engagement and
underscore the importance of honouring our Veterans, past and present.

Our CAF speakers have a wide range of experiences to share. Each
presentation can be tailored to your audience, no matter their age. Typical
presentations include a speech, a slide show, a video, and a question period.

To invite a CAF member to your event or ceremony, visit the 2018 National
Veterans' Week Speakers Program webpage (http://dgpaapp.forces.gc.ca/en/vet/index.asp). If you do not have access to the Internet, please contact our Veterans' Week coordinator, Mélodie Gratton at 613-943-6145.

Requests for speakers are filled on a first-come, first-served basis and are subject to the availability of a CAF member. You are encouraged to submit your request as soon as possible. We make every attempt to fill your request, resources permitting.

The deadline to submit your request is **October 19, 2018**.

Veterans Affairs Canada offers an array of free, bilingual learning resources available in electronic and print formats to help students remember the importance of honouring Canada's veterans. Materials can be ordered directly at: http://www.veterans.gc.ca/CanadaRemembers

On the day of your event or ceremony, you are invited to take photos during the CAF member's presentation and post the images to social media using the hashtags

#MyCAF and #RememberThem.

Sincerely,

Kirsten Goodnough
Director, Outreach and Speechwriting
Assistant Deputy Minister (Public Affairs), Department of National Defence

PRÉSENTATIONS PAR DES MILITAIRES DES FORCES ARMÉES CANADIENNES PENDANT LA SEMAINE DES VÉTÉRANS

Le 18 septembre 2018

Tout au long de la Semaine des vétérans 2018 qui se déroulera du 5 au 11 novembre, les Canadiens se rassembleront pour rendre hommage à tous les vétérans qui ont servi notre pays avec fierté et ceux qui continuent de le faire aujourd'hui.

À l'appui de la Semaine des vétérans, les membres actuels des Forces armées canadiennes (FAC) sont disponibles pour donner des présentations dans les écoles et organismes communautaires partout au Canada dans le cadre du Programme national des conférenciers de la Semaine des vétérans du ministère de la Défense nationale.

Les objectifs principaux de ce programme sont de favoriser la participation du public et de souligner l'importance de rendre hommage à nos vétérans d'hier et d'aujourd'hui.

Nos conférenciers militaires ont une vaste expérience à partager. Chaque présentation peut être adaptée à votre public, quel que soit leur âge. En général, les présentations comprennent un témoignage, un diaporama, une vidéo, ainsi qu'une période de questions.

Les demandes de conférenciers sont acceptées selon le principe du premier arrivé, premier servi, et dépendent de la disponibilité des membres des FAC.
Vous êtes donc invités à soumettre votre demande dès que possible. Nous ferons notre possible pour honorer votre demande, si les ressources le permettent.

La date limite de soumission est le 19 octobre 2018.

Anciens Combattants Canada offre toute une panoplie de ressources d'apprentissage gratuites et bilingues sous forme électronique et imprimée pour aider les élèves à se souvenir de l'importance de rendre hommage aux vétérans du Canada. Il est possible de les commander directement sur le site suivant : www.veterans.gc.ca/LeCanadasesouvent

Vous êtes invités à prendre des photos du conférencier des FAC lors de votre événement ou de votre cérémonie et à les publier sur les médias sociaux en utilisant les mot-clics #MesCAF et #Nelesoubliezpas.

Je vous prie d'agréer mes salutations distinguées,

Kirsten Goodnough

Dear Mayor Hunter,

My name is Alexandra Gair and I'm the Outreach Manager with Canada's Ecofiscal Commission. The commission is a group of blue-chip Canadian economists with backgrounds in government, business and civil society that pushes for environmental policy that is good for both the environment and the economy.

The team here at Ecofiscal thought you or someone else in your network might be interested in our new online course: Municipal market-based tools for sustainable development. We're really excited to be offering this course for municipal employees, as well as federal and provincial employees that work with municipalities. It builds on our in-person course, and dives deep into water and wastewater user fees, congestion pricing, and market-based tools for managing solid waste. Please share with anyone you think might benefit from it—in Temagami or beyond.

Please see below for more details.

Thank you,
Alexandra

Alexandra Gair
Outreach Manager, Canada's Ecofiscal Commission
Municipalities are missing out on the full potential of market-based tools!

- How can Canadian cities practically design and implement congestion pricing?
- What role can better-designed water, wastewater and stormwater rates play in sustainable asset management?
- Where can municipalities use innovative market-based tools to support better solid waste management?

Canada’s Ecofiscal Commission, with support from the McConnell Foundation, is offering a new, unique online course on municipal market-based tools for sustainable development.

Through five modules that include live, interactive webinars led by experts and experienced practitioners and a series of self-directed, online exercises, participants will learn how Canadian municipalities can practically use a variety of market-based tools.

In this video hear from Ecofiscal’s chair, Chris Ragan, how market-based tools can help achieve multiple municipal goals that can be used to reduce traffic congestion, sustainably manage infrastructure and improve environmental outcomes.
Explore the modules

The course is organized into five modules, with each including a 2-hour live and interactive webinar lecture and discussion as well as an online case study or exercise.

MODULE 1
Making the Case

MODULE 2
Congestion

MODULE 3
Water

MODULE 4
Solid Waste

MODULE 5
Securing Support

SIGN UP FOR ALL MODULES AT A REDUCED RATE

Course Instructors
Dynamic course instructors include leading Canadian experts on market-based tools, combined with current and former municipal practitioners, including:

- **Mike Buda** - Executive Director, Mayors’ Council on Regional Transportation, Vancouver
- **Andrew Duffield** - Director of Sustainable Development, City of Beaconsfield
- **Daniel Firth** - Director of Mobility Pricing, TransLink
- **Justin Leroux** - Associate Professor, Department of Applied Economics, HEC Montréal
- **Nancy Olewiler** - Professor, School of Public Policy, Simon Fraser University
- **Joe Pennachetti** - Senior Fellow, University of Toronto and former City Manager, Toronto
- **Enid Slack** - Director of the Institute on Municipal Finance and Governance, University of Toronto
- **Lindsay Tedds** - Associate Professor & Scientific Director, Fiscal and Economic Policy, School of Public Policy, University of Calgary
- **Chris Ragan** - Chair, Canada’s Ecofiscal Commission
- **Carl Yates** - General Manager, Halifax Water

**Who should attend?**

The course is intended for municipal employees, as well as federal and provincial employees that work with municipalities on related issues. It is open to anyone, including students and private sector employees, that has an interest in topics such as municipal finance, asset
management, infrastructure financing, environmental policy, urban planning, traffic management, water and wastewater management, and solid waste management.

FIND OUT MORE

The live webinars are limited to 25 participants. Register early to secure a spot. The cost of each course is $70, but if you sign up for all 5 modules you save $50. Complete at least 3 modules to receive a certificate! While modules can be mixed and matched, Module 1 is a prerequisite for modules 2-5 as it is foundational.

SEPTEMBER 27, 2018

Ford turning Ontario into the "wild west of cannabis," and municipalities will pay the price

TORONTO - OPSEU President Warren (Smokey) Thomas said he is shocked that the Ford government wants to throw open the doors to cannabis profiteers and leave municipalities and communities to deal with the problems.

"Unlimited stores and unlimited places to smoke will cause unlimited problems," said Thomas. "It's outrageous. We're going to become the wild west of cannabis and Sheriff Doug Ford is going to skip town, leaving communities and municipalities holding the dime bag."

With no limits on the number of stores allowed in the province, Thomas said the legislation being introduced today will allow Ford to hand out licenses to all the corporate donors and Conservative insiders that he pleases.

"It's just what we predicted: a scheme to put public money into private pockets," said Thomas. "The premier has been railing all week about how badly the Liberals and their backers have ripped us all off. But now he's doing exactly the same thing, ripping off the people so his friends and backers can get rich.

"If Ontario's finances are truly as bad as Ford wants us to believe, why is he giving away the millions, maybe even billions, in revenue we'd get if cannabis sales were public?"

OPSEU First Vice-President / Treasurer Eduardo (Eddy) Almeida scoffed at the "support" Ford says he's offering to municipalities.
"Unlimited stores means that municipalities are going to be responsible for a significant amount of enforcement, and the pittance Ford is offering to help with that is laughable," said Almeida. "$40 million to more than 400 municipalities? You don't have to be a math whiz to understand that's barely any support at all."

Thomas warned the premier that he'll find out just how unpopular this scheme is during the upcoming municipal elections.

"Ford says he's giving municipalities a voice by allowing them to opt out of having a private cannabis outlet within their borders," said Thomas. "But choosing between a private retailer and a black market retailer is really no choice at all. There needs to be a public option for municipalities who do the responsible thing for ratepayers and communities and opt out.

"Municipalities need to be able to choose public cannabis outlets," said Thomas. "The public plan works. It's time to just say no to Doug's."

REVIEW

Review of Draft Forest Management Plan: Information Centre
Nipissing Forest 2019-2029 Forest Management Plan

The Ontario Ministry of Natural Resources and Forestry (MNRF), Nipissing Forest Resource Management Inc. and the Nipissing Local Citizens’ Committee (LCC) invite you to review and comment on the 2019-2029 Draft Forest Management Plan (FMP) for the Nipissing Forest.

The Planning Process

The FMP takes approximately three years to complete. During this time, five formal opportunities for public consultation and First Nation and Métis community involvement and consultation are provided. The third opportunity (Stage Three) for this FMP occurred from May 6, 2018 to July 5, 2018 when the public was invited to review and comment on proposed operations for the ten year period of the FMP. This “Stage Four” notice is to:

- review and comment on the draft FMP and MNRF’s preliminary list of required alterations;

Comments from the public will be considered in revisions to the draft FMP.

How to Get Involved

The Draft FMP and the Draft FMP summary will be available on the Ontario government website at www.ontario.ca/forestplans and at the Nipissing Forest Resource Management Inc. office at the location noted below, by appointment during normal office hours for a period of 60 days, October 26, 2018 to December 25, 2018. Comments on the draft FMP for the Nipissing Forest must be received by Guylaine Thauvette of the planning team at the MNRF North Bay District Office, by December 25, 2018.

To assist you in the review and to provide the opportunity to ask questions, Information Centres will be held at the following locations and times:

<table>
<thead>
<tr>
<th>Location</th>
<th>Date</th>
<th>Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>Holiday Inn Express in North Bay</td>
<td>Friday, October 26, 2018</td>
<td>6:00 p.m. to 8:00 p.m.</td>
</tr>
<tr>
<td></td>
<td>Saturday, October 27, 2018</td>
<td>9:00 a.m. to 11:00 a.m.</td>
</tr>
<tr>
<td>Restoule Community Centre</td>
<td>Monday, October 29, 2018</td>
<td>6:00 p.m. to 8:00 p.m.</td>
</tr>
</tbody>
</table>

In addition to the most current versions of the information and maps which were previously available, the following information will also be available:

- Draft FMP, including supplementary documentation;
- Draft FMP summary (copies may be obtained at the Information Centre);
- MNRF’s preliminary list of required alterations.

Meetings with representatives of the planning team and the LCC can be requested at any time during the planning process. Reasonable opportunities to meet planning team members during non-business hours will be provided upon request. If you require more information or wish to discuss your interests with a planning team member, please contact one of the individuals listed below:

Guylaine Thauvette, R.P.F.
MNRF
North Bay District Office
3301 Trout Lake Road
North Bay, ON, P1A 4L7
tel: 705-475-5539

North Bay, ON, P1A 4L7
tel: 705-475-5539 / fax: 705-475-5500
e-mail: guylaine.thauvette@ontario.ca

During the planning process there is an opportunity to make a written request to seek resolution of issues with the MNRF District Manager or the Regional Director using a process described in the 2017 Forest Management Planning Manual (Part A, Section 2.4.1).

The last possible date to seek issue resolution with the MNRF Regional Director is January 24, 2019.

Stay Involved

A final opportunity to inspect the MNRF-approved FMP before it is implemented will take place during Stage Five - Inspection of the MNRF-approved FMP which is tentatively scheduled for February 23, 2019 to March 25, 2019.

The approval date of the FMP is tentatively scheduled for February 23, 2019.

The Ministry of Natural Resources and Forestry is collecting your personal information and comments under the authority of the Crown Forest Sustainability Act. Any personal information you provide (address, name, telephone, etc.) will be protected in accordance with the Freedom of Information and Protection of Privacy Act; however, your comments will become part of the public consultation process and may be shared with the general public. Your personal information may be used by the Ministry of Natural Resources and Forestry to send you further information related to this forest management planning exercise. If you have questions about the use of your personal information, please contact Guylaine Thauvette 705-475-5539.

Good Morning All:

See attached resolution regarding Hwy 11 closure for your councils consideration.

Thanks
Jaime
TOWN OF LATCHFORD
RESOLUTION

MOVED BY: [Signature] 
SECONDED BY: [Signature] 
No.: 18/110
Date: September 20th 2018.

Whereas motor vehicle accidents on Highway 11 between Latchford and North Bay appear to be occurring with much greater frequency.
And Whereas most of these accidents involve heavy transports that result in extensive periods of having the highway closed to traffic while clean-up occurs thereby resulting in residents of this area being unable to attend much needed medical appointments in places like North Bay and Sudbury.
And Whereas the recent Angus Lake accident resulted in Highway 11 being closed to all traffic for a period of approximately 10 hours during the day which is the period of time when said appointments are scheduled causing numerous much needed medical appointments to be missed because of the extrication of a transport that could well have been accomplished during the night utilizing all the equipment that was used during the day with readily available auxiliary lighting equipment.
Therefore be it resolved that the Council for the Town of Latchford respectfully request that the Ontario Provincial Police give serious consideration in future to conducting such highway clearance as can be accomplished during the light traffic hours so as to reduce the inconvenience to those who live in the southern Temiskaming.
And further, that this resolution be shared with the member municipalities of the Temiskaming Municipal Association for their consideration and support.

FONOM to Participate in the Development of Ontario’s Provincial Forestry Strategy

September 28, 2018 - The Federation of Northern Ontario Municipalities (FONOM) is pleased with Ontario’s recent announcement of the government’s plan to develop a provincial forestry strategy to reduce red tape and create an environment that supports growth and competitiveness within the sector.

As announced by Hon. Jeff Yurek, Minister of Natural Resources and Forestry yesterday, the government will be holding nine roundtable sessions over the coming months, beginning in November in Sault Ste. Marie, to get input from the forest industry, municipal leaders and Indigenous communities.

“We thank the Minister and his government for taking on this initiative to ensure the forest sector remains competitive. FONOM looks forward to providing input throughout the consultation process,” stated Councillor Danny Whalen of Temiskaming Shores and FONOM President. “FONOM Past President and Mayor of Kapuskasing, Al Spacek, will be the FONOM representative participating in this initiative.”

Forestry is the backbone of many communities across the North and provides good paying jobs while encouraging biodiversity and the protection of wildlife habitats. Ensuring that the sector remains competitive through a reduction in red tape while continuing to operate under the highest standards of sustainable forest management practices is to the advantage of all Ontarians.

We look forward to being part of the discussion.

101 Worthington Street East, Suite 238
North Bay, Ontario P1B 1G5

RE: Request to sign and endorse the Accord drafted at the Transforming Ontario’s North Summit

Dear Transforming Ontario’s North Summit Organizers and fellow Summit participants,

This letter serves as a follow-up to the Town of Hearst and OFIA’s joint letter dated September 18, 2018 and to Mrs. Natasha Penn’s email dated September 19, 2018 requesting participating organizations and municipalities to sign and endorse the Accord that resulted from the Transforming Ontario’s North (TON) Summit. The Town of Hearst would like to reiterate its concerns with this initiative and the proposed use of an Accord in the near term with the Federal and Provincial government.

The Town of Hearst remains concerned by the purpose and suggested outcomes of the Summit. As outlined in our September 18th letter, participants did not have an opportunity to view or discuss the language of the proposed Accord until the last day with many of the participants leaving during the time allocated for this discussion. We believe that the Federation of Northern Ontario Municipalities (FONOM) and Northwestern Ontario Municipalities Association (NOMA) have mandates to be the unified voice for all northerners on economic and social questions and we suggest the organizers of this summit should work through these Associations.

The Town of Hearst is also concerned that the Accord and Statement of Common Purpose generated from the discussions held at the TON Summit are not ready to be shared with the Federal and Provincial governments. Although the Accord is set to be a high-level document that allows for a dynamic movement to build, we feel that notable voices were absent from the discussions including First Nations elected officials, industry representatives from forestry and mining sectors and northwestern Ontario municipalities. We are confident NOMA and FONOM would welcome these notable voices in all future strategic discussions.

The communications and asks presented to Federal and Provincial government must be carefully and strategically developed to avoid confusion and unintended consequences. After reviewing the draft
Accord and the pillars outlined by the facilitators, the Town of Hearst believes there is still significant work that needs to be completed. With Ontario's municipal election less than a month away, we need to allow new leaders in the North to take office and become familiar with the NOMA and FONOM's priorities. For the organizers to suggest that the Accord is ready to be used with Federal and Provincial government in the near term is premature. Therefore, we recommend that all participants work in collaboration with NOMA and FONOM to set and present a plan for the future of Northern Ontario to the Federal and Provincial government.

For these reasons, the Town of Hearst will not support nor sign the Accord and ask fellow northern municipalities' officials and organizations to consider the same before doing so.

Respectfully,

2019 PRIME MINISTER’S AWARDS

As part of the Prime Minister’s World Teacher’s Day statement, the 2019 Prime Minister’s Awards competition is now open!

Teachers play an important role helping to build the next generation of successful, caring, and creative Canadians. We all remember a teacher that changed our lives. The Prime Minister’s Awards for Teaching Excellence, Teaching Excellence in STEM, and Excellence in Early Childhood Education honour exemplary teachers and early childhood educators who are preparing our youth for the innovation economy.

Prime Minister’s Awards recipients can receive:

- Cash awards worth up to $5,000
- A certificate from the Prime Minister
- National recognition and promotion of their best teaching practices

The Prime Minister’s Award program would like to thank the RBC Foundation for their generous support towards the recipient’s monetary awards.
Consider nominating an educator for a 2019 Prime Minister’s Award! Download your nomination package and a poster today by clicking on the web button below, or visiting our website at www.pma.gc.ca. Submit your nomination electronically or by mail before January 14, 2019.

Looking for inspiration? Check out some of our previous teaching and early childhood education award recipients.

Help spread the word!

You can help promote the Prime Minister’s Awards on social media by using following hashtags: #PMAwards #CdnEdu and #CdnTeachers. Click here to download the following files: a copy of our competition posters for you to promote within your circle as well as a web button linking to our website for you to upload online to your website(s), e-newsletters, or include in email promotion. We hope you will help us continue our tradition of honouring excellence in education.

Envoyer ce courriel pour nous aider à poursuivre notre tradition d’honorer l’excellence en éducation!
On May 8, 2018, the previous government passed three regulations under the Fire Protection and Prevention Act, 1997 related to firefighter certification, public reports, and community risk assessments. Over the past few months, I have heard substantial concerns about the mandatory certification regulation, which would come into force July 1, 2019. After hearing these concerns, our government has decided to repeal the Firefighter Certification regulation effective October 5, 2018. The community risk assessment and public reports regulations will come into force as scheduled.

We have heard from stakeholders that the certification regulation would present significant challenges for fire services and municipalities – in particular, small, rural, and northern municipalities with volunteer fire departments. Fire departments and municipalities across the province have voiced concern with the resources and supports that were anticipated to be required to be compliant with the certification requirements, as well as the potential longer-term impacts on the ability of volunteer fire services to recruit certified firefighters.

My goal remains to ensure both firefighter and public safety and to that end, I agree in principle with the certification of all firefighters. Moving forward, however, I want to ensure that any proposals concerning fire safety balance the interests of all stakeholders.

Should you have any questions or comments, please contact mcscsinput@ontario.ca.

Sincerely,

Michael Tibollo
Minister

Prime Minister of Canada
House of Commons
Ottawa  ON  K1A 0A6

Dear Prime Minister Trudeau,

Re:  NAFTA – Dairy Supply Management Program

At the regular meeting of Council held August 29, 2018, the following resolution was carried:

Moved by H. Foster – Seconded by C. Gerrits

Be it Resolved That:
WHEREAS it appears that Mexico and the U.S.A have come to an agreement on trade terms and now intense scrutiny is on Canada as our negotiators attempt to come to an agreement as well, and our Dairy Management system is once more front and centre in the news;

WHEREAS supply management means that our Canadian dairy farms produce enough milk for Canadians and Canada allows 10% import of tariff free dairy products and the U.S.A caps tariff free imports at about 2.75%, so the U.S.A also protects their dairy industry;

WHEREAS we want our dairy products to continue to be produced on Canadian farms, under the strictest animal welfare, milk quality and food safety standards in the world;

NOW THEREFORE the Township of Amaranth, as a predominantly farming community, urge the Federal Government to not allow a foreign party to interfere with our Dairy Management System and that it be removed from all North American Free Trade Agreement (NAFTA) negotiations;
Military Service Recognition Book

Dear Valued Supporter,

Please find enclosed a copy of The Royal Canadian Legion Ontario Command’s Military Service Recognition Book – Volume V, recognizing Veterans in Ontario who have served our Country so valiantly. We have also included a Certificate of Appreciation to acknowledge your organization’s generous support for our Veterans.

You will find the advertisement that you purchased during our 2017/18 Telephone Appeal printed inside, along with another copy of your invoice if you haven’t yet taken the opportunity to forward your payment.

Your ongoing support for this important project of The Royal Canadian Legion Ontario Command is sincerely appreciated. Proceeds raised from the publication of this book are used to assist each of our almost 400 Legion Branches and over 100,000 members in supporting various Veteran Transition Programs that are supported by The Legion. We look forward to speaking with you again in 2018/19 regarding this important Legion initiative.

Please don’t hesitate to contact us any time at 1-855-584-1374, if you would like additional copies of our publication or we can be of any other assistance.

Once again, thank you!

Respectfully,

Highway 11
P.O. Box 10
Latchford, Ontario
P0J 1N0

Dear George:

My colleague, Eric Boutilier of All Aboard Northern Ontario, has asked me to provide you and your colleagues with an update on our upcoming NortheastLynx proposal for the revival of the former Ontario Northland Transportation Commission (ONTC) rail passenger service linking Temiskaming, Cochrane, North Bay and Toronto.

We have made tremendous progress over the summer and we are now aiming for a public launch of the proposal in late October, immediately following the municipal elections.

At the outset, let me say that we have received tremendous support and input from numerous members of the rail industry, retired and active, and the new provincial government. These have included Minister of Finance Vic Fedeli, members of Minister of Transportation John Yakabuski's staff, ONTC staff, MP Charlie Angus, MPP John Vanthof and retired Amtrak president David Gunn, who now resides on Cape Breton.

Our NortheastLynx proposal draws on many of the service-proven concepts I employed in the development of my SouthwestLynx plan for Oxford County. It may be accessed at:

http://www.oxfordcounty.ca/Your-Government/Speak-up-Oxford/Campaign-Details/ArticleId/14251/SouthwestLynx-Integrated-High-Performance-Transportation-for-Southwestern-Ontario
SouthwestLynx is part of a four-component plan for the improvement of rail and public transportation throughout Southwestern Ontario, much of which is adaptable to the needs and the realities of transportation in Northern Ontario. The four-part series of reports, under the banner Connecting Southwestern Ontario, may be accessed at:

Like this plan, NortheastLynx is not merely a proposal for rail passenger service restoration, but a plan for integrated, multi-modal transportation that optimizes the resources and services of the ONTC and local transit operations.

The NortheastLynx draft report will be completed at the beginning of next week and, after peer review by industry experts, it will proceed to graphic design. Among the major points we have developed are:

(1) A phased implementation plan to deliver an interim Cochrane-Temiskaming-North Bay-Toronto rail service by 2019 with coordinated improvements to ONTC and provincially-owned GO Transit feeder bus services;

(2) A second phase that will improve the interim Cochrane-Toronto service in 2020;

(3) A third phase that will add a second North Bay-Toronto rail frequency in 2021;

(4) Opportunities to take advantage of economies of scale, should certain aspects of the SouthwestLynx plan be adopted and implemented by the Government of Ontario;

(5) Strict adherence to the financial limits placed on ONTC rail service restoration by the new provincial government in the policy statements issued during this year's election campaign;

(6) Benefits for the freight service provided on the entire line by both the ONTC and the Canadian National Railway;
(7) Longer-range improvements that can be undertaken on an incremental basis on the Cochrane-Temiskaming-North Bay-Toronto corridor, including a westward extension to Kapuskasing, and on the Toronto-Parry Sound-Sudbury rail corridor; and

(8) Scalability based on the actual ridership generation and financial performance of each phase of the NortheastLynx plan.

As endorsed by our advisers, we have taken an approach to NortheastLynx that can best be described as "adopt, adapt and optimize." Everything in the plan rests on techniques and technologies that have been proven elsewhere and may be readily adapted for implementation here. It also aims to optimize the use of the existing resources of the ONTC and its partners in the delivery of this service.

Please feel free to forward this brief update to your fellow council members and the members of the Temiskaming Municipal Association, to whom we are most grateful for the generous support you have all extended to us. If you or any of your colleagues require further information in advance of our delivery of the NortheastLynx plan, please feel free to contact Eric or me at any time.

Best wishes,

Greg Gormick,

On Track Strategies.

THE CORPORATION OF THE
MUNICIPALITY OF TEMAGAMI

BY-LAW NO. 18-1417

Being a by-law to amend By-law 17-1365, being a by-law to regulate the proceedings of the Council of the Municipality of Temagami.

WHEREAS under Section 238 (2), the Municipal Act, S.O., 2001, c.25, c.M. 45, as amended, requires every municipality and local board to pass a procedure by-law governing the calling, place and proceedings of meetings;

AND WHEREAS under Sections 238 (3.1) and (3.2), the Municipal Act, S.O., 2001, c.25, c.M. 45, as amended, the applicable procedure by-law may provide that a member of council, of a local board or of a committee of either of them, can participate electronically in a meeting which is open to the public to the extent and in the manner set out in the by-law provided that any such member shall not be counted in determining whether or not a quorum of members is present at any point in time; however, the applicable procedure by-law shall not provide that a member of council, of a local board or of a committee of either of them, can participate electronically in a meeting which is closed to the public;

AND WHEREAS the Municipal Council of the Corporation of the Municipality of Temagami passed Procedure By-law 17-1365 on the 28th day of September 2017;

AND WHEREAS on the 22nd day of March 2018, Council passed Resolution 18-096, to receive Memo 2018-M-012 - Options for remote attendance in Procedure By-law and to direct staff to draft an amendment to the Procedure By-law to provide for electronic participation in meetings from the direction given at the March 13, 2018 Committee of the Whole meeting; and to give notice of intent to consider an amendment to the Procedure By-law as required by section 21 of said by-law;

AND WHEREAS direction was provided through Resolution 18-387 at the Council meeting of September 27, 2018, to limit the number of times Members may participate electronically in meetings;

NOW THEREFORE the Council of the Corporation of the Municipality of Temagami hereby enacts as follows:

1. **That Procedure By-law 17-1365 is hereby amended by** adding the following definition as subsection 1.14, with the remaining subsections to be renumbered accordingly: “Electronic Participation” shall mean participation in a meeting from a location other than that at which the meeting is physically being held by means of telephone, internet, or other electronic as may be decided upon by Council from time to time.

2. **That Procedure By-law 17-1365 is hereby amended by** adding as section 2.7: “Subject to the provisions of the Municipal Act, 2001, as amended, the Municipality of Temagami shall allow electronic participation by Members of Council and Committees in the manner and to the extent set out in section 6 of this by-law.”

By-law 18-1417 to amend Procedural Bylaw 17-1365 re electronic participation. Page 1

Page 109 of 123
3. **That Procedure By-law 17-1365 is hereby amended by** adding the following as section 6, with the remaining subsections renumbered accordingly:

6. **ELECTRONIC PARTICIPATION:**

6.1. **Extent:**
   
a. Electronic participation shall be allowed at all Regular, Special and Committee of the Whole meetings of Council that are open to the public.

b. Members of Council shall be permitted to participate electronically at no more than three meetings during a calendar year.

c. There shall be no limit on the number of consecutive meetings that a Member of Council can participate in electronically provided the maximum referred to in (b) is not exceeded.

d. A maximum of three (3) Members of Council may participate electronically at a meeting, provided that a quorum of Council is present in person at the meeting.

e. Council Members shall be permitted to vote when participating electronically.

f. In order to Chair a meeting, a Member of Council shall be present in person at the meeting. When the Head of Council is participating in a meeting electronically, another Member shall chair the meeting as set out in Section 3 of this By-law.

g. Although Members participating electronically are not permitted to participate in a closed session, if following the consideration of a matter in closed session a vote is taken in open session, they shall be permitted to vote on the matter, or they may choose to abstain from voting having not been privy to the closed session discussion.

6.2. **Manner:**

a. When the question is called on a motion, a Member or Members participating by telephone may state verbally whether they are for or against, rather than by a show of hands, as required by section 15.8.1.

b. When participating by telephone, a Member may call a point of order or move an amendment verbally. The Chair shall ensure that Members participating electronically are given the same opportunity to speak to each question as they would have been given if participating in person.

c. A Member who is participating in a meeting electronically may declare a conflict of interest by emailing the declaration form to the Municipal Clerk in advance of the meeting and shall verbally state their conflict when the Chair calls for declarations.

6.3. **Process:**

a. Any Member wishing to participate electronically in a meeting shall send a request to do so by email to the Municipal Clerk. The ability to participate electronically shall be allocated on a first-come-first-serve basis.

b. In order for a Member to participate electronically in an afternoon/evening meeting, the request shall be received by 4:30 pm on the business day before the
meeting. In order to participate electronically in a morning meeting, the request shall be received by noon on the business day before the meeting. The Municipal Clerk may, at his or her sole discretion, accept a request submitted later than the prescribed time due to unanticipated circumstances (including, but not limited to weather or road conditions).

c. The municipality may use telephone conference calling, or other technology to facilitate electronic participation. The municipality shall pay the cost of the conference calling or technology option and where direct dialing is used the municipality shall initiate the call, so that the cost goes to the municipality.

d. In the event of connection/service interruptions, the Chair may recess the meeting to allow for attempts to reconnect. After 10 minutes not connected, the meeting shall resume and no more efforts shall be taken to reconnect.

4. **That Procedure By-law 17-1365 is hereby amended by** adding to the end of section 7.2 “If the Mayor and/or Deputy Mayor is/are present at the meeting, but is/are participating electronically, this section applies with regard to who will chair the meeting; however, those participating electronically shall be counted as present for the purpose of choosing an alternate Chair.”

5. **That Procedure By-law 17-1365 is hereby amended by** adding to the end of section 15.8.1: “Notwithstanding this provision, a Member or Members participating electronically may state verbally whether they are for or against a motion.”

6. **That** this By-law shall take effect upon the final passing thereof.

7. **That** By-Law 18-1393 is hereby repealed.

8. **That** the Clerk of the Municipality of Temagami is hereby authorized to make minor modifications or corrections of a grammatical or typographical nature to this by-law and schedule, after the passage of this by-law, where such modifications or corrections do not alter the intent of the by-law.

TAKEN AS READ a first time on this 18th day of October, 2018.

TAKEN AS READ A SECOND TIME on this 18th day of October, 2018

TAKEN AS READ A THIRD TIME AND FINALLY PASSED on this 18th day of October, 2018.

__________________________

Mayor

__________________________

Clerk
BEING A BY-LAW to repeal and replace By-Law No. 05-628 an emergency management program for the Municipality of Temagami, pursuant to Section 2.1 (1) of The Emergency Management Act, R.S.O., 1990, Ch. E 9, as amended.

WHEREAS the Emergency Management Act, Section 2.1 (1) requires every municipality to develop and implement an emergency management program;

AND WHEREAS Section 2.1 (2) of the Emergency Management Act stipulates the content of each municipality’s emergency management program;

AND WHEREAS Section 14(1) of the Emergency Management Act requires emergency management programs to conform with regulatory standards, in accordance with international best practices;

AND WHEREAS the Act makes provision for the Head of Council to declare an emergency exists in a community, or any part thereof, and also provides the Head of Council with authority to take such action or make such orders as he/she considers necessary and not contrary to law, to implement the emergency response plan and respond to an emergency;

AND WHEREAS the Act, consistent with Section 242 of the Municipal Act, S.O., 2001, as amended, provides for the designation of one or more members of council who may exercise the powers and perform the duties of the Head of Council during his/her absence or his/her inability to act or the office is vacant;

AND WHEREAS the Act authorizes employees of a community to respond to an emergency in accordance with the emergency response plan where an emergency exists but has not yet been declared to exist;

NOW THEREFORE Council for the Corporation of the Municipality of Temagami hereby enacts as follows:

1) That an Emergency Management Plan be amended as per the attached Schedule A for the Municipality of Temagami to be consistent with and in accordance with international best practices as considered by Regulatory Standards established under the Act, including the four core components of emergency management, namely: mitigation/prevention, preparedness, response and recovery;

2) That the Emergency Management Plan for the Municipality of Temagami shall be consistent with the objectives of protecting public safety, public health, the environment, critical infrastructure and property, and to promote economic stability and a disaster-resilient community;
3) **That** Schedules “A”, attached hereto, shall form part of this By-law:
   - **Schedule A**, being the Emergency Plan for the *Municipality of Temagami*, pursuant to Section 3 of the Emergency Management Act, R.S.O., 1990, Ch.E9, as amended

4) **That** the Municipality of Temagami’s *Emergency Management Program* shall be reviewed annually by Council;

5) **That** the Clerk of the Municipality of Temagami is hereby authorized to make minor modifications or corrections of a grammatical or typographical nature to the by-law and schedule, after the passage of this by-law, where such modifications or corrections do not alter the intent of the by-law.

6) **That** By-law 05-628 be repealed;

7) **That** this By-law shall come into force and effect on the date of Third and Final reading.

READ a First and Second time this 18th day of October, 2018.

READ a Third and Final time this 18th day of October, 2018.

Moved by Don Johnson
Seconded by Penny St. Germain

BE IT RESOLVED THAT: consent to pay Secretary’s wages totalling $220.50 was received.
Carried

8 Items for discussion

8.1a Safer Ontario Act passed first reading. (Formerly Police Service Act)
8.1b The Spring Conference affected by Provincial Election as there could be no Government Officials to speak about the Act.
8.2a RIDE stats for last grant were provided to Government.
8.2b New RIDE Grant Application submitted for 2019-2020 years totalling 10,177.92 per year.
8.3 Membership fees were paid as mentioned in 7.2 above totalling $75 for Zone 1A.
8.4 Who Are We request from Zone 1A was a request for input about the board for a pamphlet being designed for Bonfield Police Service Board.
8.5 Memo advising that Police Service Boards cannot support or get involved in Municipal Election Activities.
8.6a Zone 1A meeting at the Spring Conference was well attended.
8.6bi Discussion around a report about the Spring Conference to be presented to Council.
8.6bii Penny St. Germain will begin the report and ask for input.
8.7 Safer Ontario Act passed final reading and received Royal Assent on May 9, 2018.
8.8a OPP Pipe and Drums (50th Anniversary Tour) performed at the arena on Sunday, Jun 10, 2018 at 3:00pm.
8.8b It was well attended and very much appreciated.
8.8c Temagami was their first stop on their northern tour.
8.9a Inspector Brent Cecchini is retiring as of June 29, 2018.
8.9b Their will be big shoes to fill when picking his replacement.
8.9c Inspector Scott Hlady is acting temporarily as Detachment Commander.
8.9d Retirement Party sometime in September.

9  Items for General Information
Items 9.1 to 9.32 forwarded to board members ahead of meeting when retrieved from the OAPSB website.

10 Detachment Commander’s Report
10.1 Detachment Commander’s Report
All Stats represent March and April 2018. (Unless otherwise noted)
10.1ai Public Complaints None
10.1aii Secondary Employment request by Temagami Officer will likely be declined.
10.1aiii Constable Roch Belanger is permanently assigned to Temagami Detachment
10.1aiiv Cruiser Patrol Hours 146.25, Snowmobile Patrol Hours 21.50 and Foot Patrol Hours 3.0
10.1bi Criminal Code and Provincial Statute Charges down by 55.1% in comparison to year to date for 2017 due to nasty weather in March and April as well as several highway closures.
10.1bii Traffic Related Charges dropped by a similar percentage for the same reasons.
10.1ci Violent Crimes only 1- Other Crimes Against a Person (such as harassment and uttering threats)
10.1cii Property Crime 72% drop from year to date comparison to 2017-largely due to jail time for involved party/parties.
10.1ciii Drug Crime no change.
10.1civ Clearance Rate is up overall by 52.9% year to date comparison to 2017 (largely to do with solving of Property Crime cases)
10.1di Calls for Service Year To Date Weighted Average 248.9 down from 352.5 same period of time last year.
10.1dii If trend continues billing will go down as well.
10.2a Discussions about security cameras at the end of the Access Road would be a huge deterrent in thefts.
10.2b Security Cameras being set up by the Municipality at the Dumpsters and hope that down the road maybe more cameras can be linked in around the docks.

11 Next Meeting: Wednesday, September 19, 2018 at 1:00 pm at the Temagami Municipal Office Boardroom

12 In Camera Agenda
None

13 Adjournment

BE IT RESOLVED THAT: The meeting is adjourned at 2:10 pm.
Moved by Dan O’Mara
Second by Penny St. Germain
Carried
Municipality of Temagami
Community Emergency Management Program Committee Meeting (CEMPC)
Tuesday February 27, 2018
9:30 to 11:30 a.m.
Boardroom, Municipal Office

MINUTES

Attendance: Jim Sanderson, Elaine Gunnell, Monty Cummings, Brian Koski
Absent: Debbie Burrows, Paul Elliott, Jim Stewart

1. Adoption of the Agenda – by consensus

   November 2017 meeting minutes – notes taken during meeting not yet transcribed into draft minutes – Elaine indicated the action items from the meeting had been completed (HIRA / staff training), but unable to draft up minutes with trying to manage the workload of 3 staff

2. Post-analysis of the 2017 desktop exercise (Railway derailment) – discussed the exercise, good presentation, provided an idea of what the Railway would do in an event of a derailment, achieved goals of the exercise. Discussed exercises for 2018 - received an offer by Red Cross that they would be willing to assist if we wanted to do a “shelter” exercise; Fire & Aviation willing to participate if we decide to do forest fire exercise. Arena more of a warming center than an evacuation center.
   • Recommendation: Defer decision on type of exercise for 2018 to next meeting; do desktop exercise in mid to late November (after election).

3. Emergency Plan maintenance: Reviewed Appendix A – staff contact information, notification listing associated with the plan, updates associated with changes in municipal staffing needed – leave some positions vacant; where possible use positions instead of names. Appendix B, External Resources Directory – noted changes committee were aware of – some categories will require staff to confirm existing contact numbers listed. Updates to Appendix B to be carried forward into Appendix C (Local Resources). Appendix G (Critical Infrastructure), discussed the extensive list currently identified – committee questioned whether private services/agency infrastructure, in town/out of town services should be listed as they are outside municipal control.
   • Elaine to assign staff to update of sections reviewed by the committee
   • Jim to contact John Stothers (MCSCS) to get an understanding of what should be captured as “critical infrastructure” in appendix G.
4. 2018 Training requirements - committee reviewed guidance note 2018-01-01), mandatory training requirements for members of the Emergency Community Control Group. Jim provided information from John Stothers regarding the training and if “alternates” is indicated in the Plan then anyone that might be an alternate to a ECCG member would need to be trained to achieve compliance for 2018. Discussion regarding removing all but municipal staff in the MCCG, with agencies that might assist (OPP, EMS, Medical Officer of Health) be placed under Emergency Support staff – great if trained but not required to meet the mandatory training requirements. Question on how an alternate could participate if not included in the body of the Emergency plan/ bylaw. Might be achieved if “implementation procedures” in Appendix A, indicated in the plan is expanded upon and indicated alternates in Appendix A. Decision to defer training requirements until got some direction from MCSCS. Postponed discussing training for staff in emergency support roles until answer regarding who might require mandatory training is received. Brief discussion regarding training requirements and if that could be accomplished in conjunction with the tabletop exercise.

- Jim to contact John Stothers regarding “alternates” being authorized to participate in the plan if not mentioned in the section approved under bylaw; bring response back to committee.
- Jim to detail training requirements that will be needed for ECCG members – bring back to the committee.

5. Notification system – brief discussion regarding notification system – currently under the plan must get hold of the COA to activate the plan – Elaine indicated need to have better system with regards to notification, Monty suggested a list hierarchy list – if can’t contact the first person on the list, move on to the second on the list, and so on. Phone calls would be first point of contact, e-mail/text for primary on the list only. CACC cannot guarantee their ability to provide phone calls – explore other avenues – consider potential to use answering service similar to Public Works weekend contact process.

- Committee members to review notification requirements, adding detailed “implementation procedure” in Appendix A - be prepared to discuss at next meeting

6. Other – next meeting – no date picked – plan one for end of April/early May

Adjournment – by consensus at 11:45
Municipality of Temagami
Community Emergency Management Program Committee Meeting (CEMPC)
Friday September 21, 2018
10:00 to 11:30 a.m.
Boardroom, Municipal Office

DRAFT MINUTES

Attendance: Jim Sanderson, Monty Cummings, Paul Elliott, Scott Poirier, John Stothers (EMO).
Absent: Carol Lowery, Jim Stewart

1. Adoption of the Agenda – approved by consensus

2. Review of Past Minutes
   • February 2018 meeting minutes – approved as presented
   • May 2018 EMO/CEMC meeting minutes – approved as presented

3. Review Emergency Response Plan
   • Discussed 2.0 Community Control Group (CCG) – Membership pg. 11
   • Correct term for the committee is Municipal Emergency Control Group (MECG) recommended changes reflect correct terminology
   • Committee agreed to propose amendment to the Plan realigning participants to either being a member of the Municipal Emergency Control Group or a member of Emergency Support agencies to the MECG Control Group (CECG) members – new regulations require mandatory attendance by all MECG members at annual exercises – easier to achieve with smaller group) – recommend MECG membership limited to the Mayor, CEMC & CAO/Municipal Manager – all others classified as member of the MECG Support Agencies
   • Bring changes to council for revision to the Plan prior to 2019
   • Discussed a number of methods being used to ensure MECG members meet the required knowledge of the plan – pick a method to for MECG members to demonstrate knowledge of the Emergency Plan

4. Review of Appendix A – notification system – plan currently indicates the request to implement the Emergency Plan is done through the CAO and that the CAO notifies members that the plan is being implemented.
   • Cost obtained for outsourcing a notification system - $100/month (toll-free number, SMS messaging to members, follow-up calls if required, reporting)
   • Use of SMS test messaging – small group – potential to implement using current Fire dispatch provider – use of cell phones/create group notification – committee supports this approach – outsourcing considered too costly
5. Review of Appendix G – critical infrastructure
   • Guidance provided by John Stothers – critical infrastructure is something that if it disappears would put the Municipality in a "world of Hurt". Loss of a fire hall would be an inconvenience as you could find alternate storage arrangements for your pumper/ replace a truck with an rental unit is short order. If you only have 2 pumpers what would you protect?
   • Appendix G to be revised as per program committee recommendations

6. Forest Fire Emergency Report recommendations – committee reviewed the section containing recommendations and provided feedback to the CEMC for finalizing the recommendation section of the report to council.

7. Discussion on Appendix E, HIRA (Hazard Identification and Risk Assessment) and what should be included in the list; that emergency response procedures should be developed for the final list of Hazards identified by the committee. When reviewing the list as the question "Would the Municipality have to declare an emergency – e.g. would you be declaring an emergency based on consequences that earthquakes have had on the community? Once the list gets whittled down, start working on developing a response plan for that emergency (suggestion was one plan/year).

   Next Scheduled next meeting: October 15, 2018 at 10:00

Adjournment – by consensus at 11:45
Subject: EMO / CEMC meeting to discuss last year’s compliance and compliance for 2018

Attendance: John Stothers (EMO), Jim Sanderson, Elaine Gunnell, Monty Cummings

Note: meeting date scheduled by EMO with J Sanderson (Acting CEMC) prior to council appointing B. Koski as CEMC (unavailable/previous commitment). 2 Staff members of CEMPC asked to attend by Jim

2017 EM Compliance – discussed, not issues brought forward (general discussion on training requirement met last year)

Evidence of Training for CEMC – discussed timelines for new CEMC to have all 4 courses as 1 year – indicated Brian K is now CEMC, already has the BEM and CEMC training (needs IMS 100 & 200). John indicated not mandatory for alternate to have all 4 courses

Bylaws adopting emergency plan and emergency program – have 1 bylaw (05-628) for both - no copy at meeting, John would like to see it at some time – Bylaw for EMPC needs to state the CEMC is chair of the committee

HIRA – discussed the intent – suggestion to reduce the numbers to the top 5 HIRA or so – at some time will be looking to see risk based response plans for each – showed John already have plans for out top 3 (Forest fire, Rail & Hwy transportation accidents) – recommends developing 1 risk based response plan per year

Critical Infrastructure – reviewed our list – too extensive, should be items that are “Critical;” for survival /can’t live without (I.e. water distribution) and not just “an inconvenience”. IF it’s CI then what steps has/is the Municipality taken to ensure it is maintained (i.e. alarm systems, sprinklered buildings, security, fencing, armed guards…)

Emergency Program Committee – as a committee need a Terms of Reference – John to send example. Discussed composition (senior management staff a must)

Emergency Community Control group – discussed need to revise Emergency Plan, reduce CCG to small nucleus (no alternates) - municipal employee that will attend annual exercise– each member must demonstrate competency (skill based training) –each member of the CCG MUST be at annual training exercise (invite other agencies, but not mandatory they attend – compliance issue if a CCG member misses annual exercise)

Public Education program – discussed efforts made for Emergency Preparedness week – posters, info at Ronnoco, info in monthly newsletter, article for Temagami Times – suggestion could add a sheet when sending tax bills out

John indicated he is available any time we need assistance – we are one of 31 communities he looks after; just give him a call if needed, willing to attend Emergency Management Program Committee meetings
THE CORPORATION OF THE
MUNICIPALITY OF TEMAGAMI

BY-LAW NO. 18-1419

Being a bylaw to confirm the proceedings of Council of the Corporation of the Municipality of Temagami

WHEREAS pursuant to Section 5(1) of the Municipal Act, 2001, S.O. 2001, c. 25 as amended, the powers of a municipality shall be exercised by its Council; and

WHEREAS pursuant to Section 5(3) of the Municipal Act, 2001, S.O. 2001, c. 25 as amended, a municipal power, including a municipality’s capacity rights, powers and privileges under Section 8 of the Municipal Act, 2001, S.O. 2001, c. 25 as amended, shall be exercised by by-law unless the municipality is specifically authorized to do otherwise; and

WHEREAS it is deemed expedient that the proceedings of the Council of the Corporation of the Municipality of Temagami at this Session be confirmed and adopted by by-law.

NOW THEREFORE the Council of the Corporation of the Municipality of Temagami hereby enacts as follows:

1. THAT the actions of The Corporation of the Municipality of Temagami in respect of all recommendations in reports and minutes of committees, all motions and resolutions and all actions passed and taken by the Council of the Corporation of the Municipality of Temagami, documents and transactions entered into during the September 27, 2018 & October 18, 2018 regular meeting of Council are hereby adopted and confirmed, as if the same were expressly embodied in this By-law.

2. THAT the Mayor and proper officials of The Corporation of the Municipality of Temagami are hereby authorized and directed to do all the things necessary to give effect to the action of the Council of The Corporation of the Municipality of Temagami during the said meetings referred to in paragraph 1 of this By-law.

3. THAT the Mayor and the Chief Administrative Officer or Clerk are hereby authorized and directed to execute all documents necessary to the action taken by this Council as described in Section 1 of this By-law and to affix the Corporate Seal of The Corporation of the Municipality of Temagami to all documents referred to in said paragraph 1.

Read a first, second and third time and finally passed this 18th day of October, 2018.
