**Subject:** Letter from Temagami Shores

**Agenda Date:** **March 28, 2019**

**Attachments:** Correspondence

**RECOMMENDATION**

BE IT RESOLVED THAT Council receive Memo No. 2019-M-058;

AND FURTHER THAT Council include the requested adjustment to speed zones with request to the Ministry of Transportation.

**INFORMATION**

This letter was received last August and was, at the time, referred to the Protection to Persons and Property Standing Committee. With election activity and then items being considered by Council, this letter is being presented to Council for direction.

As the highway where the speed zone is being requested is under provincial jurisdiction any altering of the limits would need approval of the Ministry of Transportation.
