

*Temagami Fire Department*  
*Monthly Report of Activities*  
for the month of: *May 2019*

---

## **2 Activations**

- May 7<sup>th</sup> @ 11:00PM – request from OPP officer to assist / provide preventive protection measures following an enforcement stop; requested wash-down of an area where suspect fled from vehicle as preventive measure in event drugs were discarded in the area, one firefighter and Chief attended scene.
- May 22<sup>nd</sup> @ 10:31 PM – gas/CO alarm at 44 Birch Crescent – completed search of the residence with multi-gas detector – higher than normal readings located in the service room – recommended owner contact service technicians to check gas appliances (Hot water heater & furnace) – 1 vehicle and 4 firefighters from the townsite responded

## **Training:**

- 3 meetings – water supply; fire streams, pump operations - drafting & working off hydrants
- Working Minds for First Responders (Mental Health awareness training session (through OAFD) for members requiring this training – was made available/offered to MRFD
- 3 Firefighters attended 4 hour training seminar on Alternate Fuel/Electrical Vehicle fire Safety in Dymond (course presented through Temiskaming Emergency Services Training association)

## **Fire Prevention:**

- Review of Fire Safety plan received from Temagami Marine – ongoing
- Several Fire Safety Plans in various stages of review
- 1 daytime burning (recreational campfire) investigated, given a verbal warning

## **Fire Education:**

- Regular radio “fire safety” announcements on CJTT
- Monthly community newsletter - Fire Safety messages – Emergency Preparedness theme

## **Other:**

- Roof leaks at the downtown hall continue – buckets placed around the apparatus bay area to collect rainwater - collected +5 liters in 3 pails over the May 25<sup>th</sup> weekend
- 1 member resigned (reasons cited: no time - working out of town & vacation)
- 2 members currently suspended from attending activations have made no attempt to schedule their *return to active duty* evaluation(s).
- 2 other member now inactive for over 60 days as of end of May
- Rainwater entering the Hot water Exhaust vent – reported to reliance
- Annual Report completed & submitted to Municipal clerk for council information
- Chief attended Emergency Management sector meeting in Kearney
