<b>Subject:</b>	Fire Pump Subsidy Program
<b>Agenda Date:</b>	<b>June 27, 2019</b>
<b>Attachments:</b>	2019 Fire Pump Subsidy Information Sheet

**RECOMMENDATION**

BE IT RESOLVED THAT Council receive Memo No. 2019-M-097;

AND FURTHER THAT Council approve the Information Sheet for the 2019 Fire Pump Subsidy Program.

**INFORMATION**

In order for Staff to process expressions of interest and claims received under the 2019 Fire Pump Subsidy Program, changes to the information sheet are required. The change being proposed is to change the wording to set a minimum standard rather than having only one option for a Honda pump.

Based on previous discussions, it is the belief of Staff that Council wishes to keep the standard of a Honda Pump to better ensure compatibility with pumps that have been purchased through earlier subsidy programs.

Once the information sheet is approved then Staff will have the tools required to operate the program.
