RECOMMENDATION

BE IT RESOLVED THAT Council receive Memo 2019-M-135;

AND FURTHER THAT Council establish the following for Council meetings for the remainder of 2019.

INFORMATION

The Procedural By-Law on this agenda for Council's consideration establishes a three week meeting cycle. There are a couple of options for when the three week cycle would start.

While it is preferable that meetings be scheduled in such a fashion to ensure Members and required Staff are able to attend, occasionally individual schedules will not permit this.

Once the schedule has been determined, Staff will advertise the meeting dates in the normal fashion to ensure the Public has this information.
