RECOMMENDATION

BE IT RESOLVED THAT Council receive Memo 2019-M-175, 2020 Allocation under the Ontario Municipal Partnership Fund, for information.

INFORMATION

On October 24, 2019, the Province released information regarding the allocation under the 2020 Ontario Municipal Partnership Fund. At the 2019 AMO Conference, Premier Ford announced that there would be no changes to the structure of the Fund. This should not be heard as there would be no changes to the allocation.

For 2020, our allocation is \$860,200. This is \$5,100 less than was received in 2019 or a reduction of 0.06%. This information will be placed in the 2020 budget file and used in budget calculation.
