AND FURTHER THAT Council directs the appropriate officers to complete the sign-up for to become a sponsor for the Temiskaming Health Team.

INFORMATION

Attached to this report is an overview of some of the changes related to health care in the Province with the formation of Ontario Health Teams. While geographically, we are in the District of Nipissing, most of our health care is received through working relationships with agencies located in the District of Temiskaming.

Also attached to this report is a sign up form. There are three levels of support and it is recommended that we become a sponsor to ensure we are provided with future communication.
