2. Notwithstanding section 2.8 of Procedure By-Law 19-1478, during the emergency as defined in section 1 of this schedule, when a Member is participating electronically, they may be counted in determining whether or not a quorum of Members is present at any time during the meeting;
3. During the emergency defined in section 1 of this schedule, Members participating electronically may participate in meetings that are closed to the public;
4. During the emergency defined in section 1 of this schedule, the Head of Council or delegate may chair a meeting electronically;
5. During the emergency defined in section 1 of this schedule, the Clerk may clerk the meeting electronically;
6. During the emergency defined in section 1 of this schedule, meetings may proceed even though any or all Members and/or the Clerk are participating electronically.
7. During the emergency defined in section 1 of this schedule, all time limits and time parameters contained in the Procedure By-Law number 19-1478 are hereby amended to reflect reasonable timelines in the emergency circumstances. ## Schedule I

### Electronic Public Meetings

1. Pursuant to Section 236(1) of the *Municipal Act, 2001* (as may be amended from time to time) in the case of an emergency, Council may hold its meetings at any convenient location within or outside the municipality. Therefore, during any period where an emergency has been declared to exist pursuant to the *Emergency Management and Civil Protection Act* (as may be amended from time to time) Council may hold meetings that are open to the public by live-streaming those meetings on an appropriate internet based platform that is generally available to members of the public. Should internet services not exist, meetings may be held by telephone conference or other available electronic means;
2. In deciding to hold a meeting or meetings electronically, Council shall consider whether health and safety issues dictate that members of the public should not gather together in Council chambers including, but not limited to, cases of epidemic or pandemic. When Council makes this decision, the reasons for the decision not to permit physical attendance of the public shall be recorded in the minutes. Council shall have regard to recommendations and advice from the applicable authority including but not limited to the Provincial Government or Public Health officials;
3. If Council decides to hold meetings electronically, the web link, phone number or other electronic connection data to access the meetings will be published on the Municipality's website and in the meeting agenda. Should circumstances exist that the Municipality's website is not available, notice shall be provided in a manner that will provide access to the largest number of ratepayers possible in the circumstances.
4. If Council holds meetings electronically, they will be recorded and the recording of the open session of the meeting will be posted on the Municipality's website as soon as practical in light of the emergency circumstances.
