Hi,

We would like to request a registered deligstion at the next council meeting to allow two small buisnesses to opporate from 6 lakeshore.

We will be partitioning the building into 3 sections

One will be a barber shop and clothing store (293 square feet) and a licanced canibis despenery (620 square feet) the remainder of the building (618 squre feet) will be cold storage.

We hope that we can work together to help create jobs in temagami and attract more tourist to shop in temagami.

Thank you  
Meegwitch.
