RECOMMENDATION

BE IT RESOLVED THAT Council close the Municipal Office to the Public between noon on December 24, 2020 to Monday, January 4, 2021 with the understanding that Staff would use vacation time should they want to be off work during this period.

INFORMATION

As was the case last year, Staff are recommending the office be closed between noon on Christmas Eve to the first working day of 2021. The way that statutory holidays fall, should Staff wish to be off work for the whole of this time they would be required to use 2.5 days of holiday time.

Presently, there has not been any thought given to seasonal celebrations. With the COVID-19 pandemic still very active in part of the Province, to do so could disrespect the restrictions that the Province has put in place.
