**RECOMMENDATION**

BE IT RESOLVED THAT Council direct Staff to prepare a report on the potential economic benefits to local businesses of training and certifying appropriate municipal employees to perform civil unions.

**INFORMATION**

Councillor Shymko provided a Notice of Motion during the regular session of January 21, 2021. Municipal Clerks (and deputies) if the appropriate training is completed are able to perform civil unions. This could lead to increase use of our accommodation and food services businesses.
