Memo No.
2021-M-060

Memorandum to Council

Subject:	Annual Report – Temagami South Lagoon
Agenda Date:	April 15, 2021
Attachments:	Annual Report prepared by OCWA

RECOMMENDATION

BE IT RESOLVED THAT Council receives the Annual Report for the Temagami South Lagoon for the year ended December 31, 2020.

INFORMATION

On March 31, 2021, the annual report for the Temagami South Lagoon was received from OCWA. This report is expected to be more robust than the report for the south lagoon given the additional requirements that was placed on this lagoon by the Ministry of Environment, Conservation and Parks with the amended ECA that was signed on April 30, 2020.
