

Corporation of the Municipality of Temagami

Memo No.  
2021-M-061

**Memorandum to Council**

**Subject:** Request from Leapfrog

**Agenda Date:** April 15, 2021

**Attachments:**

**RECOMMENDATION**

BE IT RESOLVED THAT Council authorizes Leapfrog to place broadband equipment on the two water towers and the fire tower;

AND FURTHER THAT the Mayor and Treasurer/Administrator be authorized to negotiate an equitable rental rate for this use of municipal infrastructure.

**INFORMATION**

As part of a potential program what will provide broadband alternatives to much of the Municipality, we have been asked by Leapfrog for the authorization to place broadband equipment on our water towers and the fire tower.

Typically there is a fee to do so although a rate has yet to be considered by the Municipal User Fee By-Law. Based on negotiations, and broadband plans in other areas of the Municipality, an equitable rate could be negotiated.

**Respectfully Submitted:**  
**Craig Davidson**  
**Treasurer/Administrator**
