RECOMMENDATION

BE IT RESOLVED THAT Council direct Staff to update the winter equipment subsidy that was passed on March 4th, 2021, by resolution # 2021-M-031, to include all season recreation equipment for youth in our community offering a maximum of \$55 to offset the cost.

AND FURTHER THAT this be funded from the Phase 1 COVID-19 funding.

INFORMATION

On March 4th, 2021 Council Passed resolution # 2021-M-031 that would provide a winter recreation equipment subsidy for the youth that reside in the community. As winter recreation is drawing to an end for this year, we would like to expand this subsidy to include all season recreation equipment. The \$55 per youth limit would remain the same.
