

Corporation of the Municipality of Temagami

Memo No.
2021-M-063

Memorandum to Council

Subject:	LAS Natural Gas Agreement
Agenda Date:	April 15, 2021
Attachments:	FAQ Natural Gas; Comparison Report

RECOMMENDATION

BE IT RESOLVED THAT Council consider the LAS Natural Gas extension agreement later at this meeting.

INFORMATION

In 2008, the Municipality of Temagami entered into an agreement with LAS for bulk purchasing of Natural Gas. The agreement is due for renewal. Should Council wish to renew, a by-law is included later in the agenda for this meeting. Should Council wish to directly source natural gas purchases then we would need to advise LAS and the agreement will cease at the end of October 2021.

Attached to this report are frequently asked question and a cost comparison report (in excel) which provides more information for Council to consider.

Respectfully Submitted:
Craig Davidson
