RECOMMENDATION

BE IT RESOLVED THAT Council reconsider motions related to the supply of water at 41 Goward and the further communication received from the property owner at the meeting of May 6, 2021.

INFORMATION

Staff received communication from a ratepayer related to a matter where direction was received in the fall of 2020. (water supply at 41 Goward and possible land sale) It does not appear that there is new information being provided but rather requesting that the situation be resolved.

In accordance with our Procedural By-Law (Section 2.20) prior to reconsidering a matter Council shall consider a motion to reconsider and this shall pass by a two-thirds majority (5 members in our case).

Should Council adopt the request for reconsideration this will be placed on our next agenda.

Respectfully Submitted:
