Memorandum to Council

Subject:	Resolution from the Town of Bradford West Gwillimbury
Agenda Date:	July 13th, 2023
Attachments:	Resolution 2023-199

RECOMMENDATION

BE IT RESOLVED THAT Council receive correspondence from the Town of Bradford West Gwillimbury regarding their resolution 2023-199 – right to repair, specifically in the agriculture sector.

INFORMATION

At their meeting of June 6, 2023, Council for the Town of Bradford West Gwillimbury considered and passed their Resolution number 2023-199 calling on the Federal Government to expedite the promised consultations to enshrine the principle of right to repair in consumer-protection law with specific consultation and measures to support the agricultural sector.

The recommendation to receive is based on the lack of agricultural properties in our Municipality which the resolution appears to be directed towards. Council could choose to support the resolution from the generic right to repair electronic devices without a focus on the agricultural sector.

A copy of the correspondence is attached to an forms part of this report.
