**RECOMMENDATION**

BE IT RESOLVED THAT Council receives report 2023-M-148, Council expenses, for information.

**INFORMATION**

As directed by Resolution 23-224, the following is a breakdown of the expenses reported on the statement of Council remuneration received by Council at the Regular Meeting of March 9, 2023.

Mayor's attendance at AMO	\$2,265.00
Mayor's attendance at ROMA	854.08
Mayor's attendance at FONOM	1,231.94
Mayor's attendance at Broadband Conference	1,640.36
Mayor's Cell Phone	650.24
Meetings/Office Attendance in Temagami	896.32
Meetings – Outside of Temagami	<u>1,538.17</u>
Total Reported	<u>\$9,076.11</u>

In 2022, ROMA was held virtually. On further review, 50% of this cost is attributed to the Mayor and 50% to Councillor Youngs who attended virtually.

Fifty percent of the cost of a phone is covered for the Mayor. This was changed from supplying a Municipal phone to the Mayor during the last term of Council and this is a less costly option.

Meetings and Office Attendance in Temagami, continues the standard that existed on my arrival where when attendance was required outside of Council meeting dates, mileage is claimed. Over the year, there are 22 such trips reflected.

Meetings outside the municipality includes costs covered by DNSSAB of \$170.78 as well as mileage for meetings of the Temiskaming Municipal Association, meetings associated with Temagami Dry, and meetings to lobby our position with different provincial politicians regarding Au Chateau.
