RECOMMENDATION

Council can make the appropriate resolution(s) at the meeting to direct Staff appropriately.

INFORMATION

At the last Working Session of Council, Council declared the seat of former Councillor Leudke as vacant.

Council has yet to determine how this seat will be filled. While there is a report later concerning a notice of motion on this same topic, presently, the Municipal Act sets Council's options as directing Staff to prepare the necessary documents for a By-Election or to appoint an individual who is willing to accept the position. The Municipal Act is silent how this selection is to be made.

Related, Councillor Leudke was also our Community Emergency Management Coordinator (CEMC). Our alternate CEMC is Sabrina Pandolfo so, in the interim, we still have a conduit to Emergency Management Ontario. To support our alternate CEMC, both Chief Sanderson and Craig Davidson have completed the CEMC training.

Councillor Leudke was also one of the three members of Council appointed to the Committee of Adjustment.

Direction regarding the CEMC and the Committee of Adjustment could wait until the seat has been filled.

Respectfully Submitted:

Craig Davidson
Treasurer/Administrator/Acting Clerk
