SUBJECT: Proposal to Amend Three Regulated Manuals under the Crown Forest Sustainability Act

Greetings:

Today, the Ministry of Natural Resources and Forestry posted a Proposal Notice on the Environmental Registry (ER #:019-6823) for a 60-day period to seek input on proposed amendments to the Forest Management Planning Manual, Forest Information Manual and Scaling Manual (i.e., Forest Manuals). The proposed revisions will support commitments identified in the Forest Sector Strategy and will continue to modernize the forest management planning and wood measurement processes while continuing to provide for the responsible management of Ontario's forests.

We invite you to review the proposals on the Environmental Registry and provide comments. If you have any questions, please contact the identified project lead.

Sincerely,

Original signed by

Peter D. Henry, R.P.F.
