Subject: Marten River Resident Deserves Recognition

A resident of Marten River, Chief Warrant Officer Rachel Fox has recently assumed her duties as the CWO of 15 Wing in Moose Jaw, Saskatchewan. Attached is a photo of CWO Fox (middle) as she is joined by her colleagues as the first all-female CWOs within 2 Canadian Air Division. This is an impressive achievement. I would hope that mention of this might be made at a council meeting as residents of our community should be proud of the accomplishments of our citizens. Thank you.

Ken & Julie Mills
Marten River

A milestone event in the history of the RCAF happened on July 14 with the Change of Appointment of the 15 Wing Chief Warrant Officer, CWO Rachel Fox in Moose Jaw, Saskatchewan. For the first time within 2 Canadian Air Division, three women Chief Warrant Officers will serve at the same time. CWO Fox is accompanied in the photo by the CWO of the **Canadian Forces Snowbirds**, CWO Cheryl Abernethy, and from 2 Canadian Air Division, CWO Marlene Shillingford.
