Temagami, Ontario

Attention: Mayor Dan O'Mara and Council

Re: Request support for the Temagami Lions Seniors
Christmas Dinner (December 10, 2023)

The Temagami Lions club in conjunction with the support of local Businesses will be holding their annual 39th Seniors Christmas dinner on December 10, 2023. As council is aware many of our present Senior citizens were very active in their younger years by providing essential services such as: health and various activities for the betterment of the Temagami community.

The Lions Senior Christmas has always been held at the Temagami Community Centre with the support of the Municipality of Temagami. This year we expect up to 150 senior participants attending the sit down dinner or as a take out delivery for persons with disabilities. This year due to an influx of new senior citizens living in the Temagami area we expect a great attendance.

The Temagami Lions Club members are asking for your continued support by Waiving the arena fees for the December 10th event. In past, the Municipality of Temagami has also supported refreshments for this special event.

As the Municipal Council is aware the Lions Club is a very small but active club who work hard for the betterment of our community.

Thank you, and appreciate your continued support

Yours

Lion Jane Dougall
