

Corporation of the Municipality of Temagami

Memorandum to Council

Memo No.

2023-M-216

Subject:	Rainy River – Water Treatment Training
Agenda Date:	November 9, 2023
Attachments:	Correspondence and Resolution

RECOMMENDATION

BE IT RESOLVED THAT the Corporation for the Municipality of Temagami does hereby receive the correspondence from Rainy River CAO Veldron Vogan;

AND FURTEHR THAT the Council for the Corporation of the Municipality of Temagami does hereby direct the Municipal Clerk to provide a letter of support to Mr. Vogan.

INFORMATION

The expense of training is becoming expensive and very hard to procure for small Northern Municipalities. The CAO Veldron Vogan would like to see the training more accessible to small Northern Communities and be more affordable.

Many small Municipalities cannot afford to hire companies like OCWA and Northern Water Works to manage their treatment plants.

Respectfully Submitted

Rhonda Smith
