RECOMMENDATION

BE IT RESOLVED THAT receive memo 2023-M-227 regarding concerns with Crown Land maps and Crown Land Property sales.

AND FURTHER THAT Staff be directed to contact the MNRF to discuss this matter further and Provide a report back to Council.

INFORMATION

The Municipality received correspondence from Jim and Kim Krech on behalf of some of the White Bear Estate (Fox Run & White Bear Court) property owners. The residents are concerned that the MNRF Crown Maps inaccurately reflect areas for public recreational use.

They are also concerned that crown land is being sold off without consultation with the neighboring property owners.

Please see the correspondence attached.
