Hi Rhonda

I did get in touch with Darren Tulloch, he called me today From Arrow Games. He has been helpful. The first step I have to do is apply for a licence.

I forgot to mention when I talked this morning.

May we get a better rate on the 3% of the licence charge I have talked to a couple other legions & in the smaller towns to help the legion out some pay \$25.00 or less for their licence for Nevadas & some a less %. to help out.

I did mention this to Darren he said that 3% is the maximum that can be charged & yes other legions do get a break. Depends on the municipality.
