1	9:00-6:00 I work all day. Can't make it to the dump on time	12/20/2023 10:03 AM
2	Saturdays are a busy day when people leave the lake with weather being a factor	11/30/2023 11:33 AM
3	The landfill is 4 kilometers away from the transfer station. Get rid of the transfer station. Marten river does not have a transfer station. Temagami does not have a transfer station. What a waste of money.	11/30/2023 9:16 AM
4	Uncertainty as to when we'd visit/leave the cottage	11/28/2023 8:36 AM
5	Its hard to know when we'll be at our seasonal residence during the winter monthsdue to weather and ice conditions	11/27/2023 3:35 PM
6	Should be open 24/7!	11/27/2023 3:13 PM
7	We usually leave on Mondays	11/27/2023 1:23 PM
8	In the case of inclement weather, then is there a provisional back up time. Eg freezing rain,	11/27/2023 12:39 PM

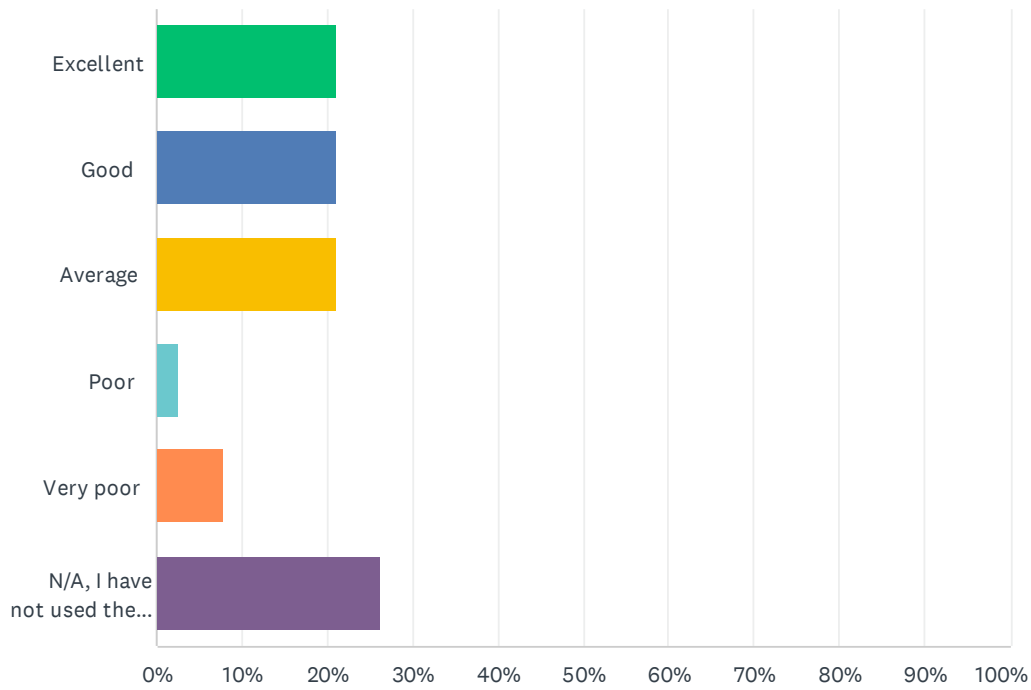

Lake Temagami Waste Transfer Station - Winter Hours

	blizzard snow?	
9	9 am is too late in the morning for Tuesday and Friday. Work or appointments usually require going to the landing at 7-8am. I am trying to go to the transfer site without making an extra trip to the landing. Tuesday from 7am-12pm would work better. Sunday from 9-3 is not ideal, as I tend to leave to go somewhere on Sunday after 3pm. Sunday from 12-6pm would be better. Friday from 2-8pm, as a lot of people go to the landing to pick up people Friday after work.	11/26/2023 9:20 PM
10	Not there during winter months so cannot comment	11/25/2023 4:42 AM
11	I have to dispose of garbage frequently due to tourism activities	11/24/2023 11:47 AM
12	What about cottagers visiting over the weekends heading home in the late afternoons Sunday?	11/24/2023 9:26 AM
13	Keep the hours the same as the summer , there is only one dumpster and the recycling during the winter months	11/23/2023 9:37 PM
14	3 times a week? that's crazy. Especially with the hours during the week? 9-3 is a full work day. how is one supposed to make the dump if their heading off island after work	11/23/2023 2:30 PM
15	These hours are better hours than currently offered. Some will think it's a reduction but having the opportunity to go throughout the day is much more convenient As for question 7. We already pay for our parking spots, that should cover the plowing as it has in year's prior.	11/23/2023 2:01 PM
16	Later on Sundays. Mondays instead of Tuesdays because of long weekends/holidays	11/23/2023 12:48 PM
17	I would like to see one day open till 6. Not everyone can get to the landing during work hours nor do they want to HAVE to go to the landing on their day off. Commenting on the parking stall plow as there is no room for comment, weather or not I would use it depends on how it's run. Commenting on service at the landing. If the hours are 9-3 let's say. The dumpsters should be there for those hours. Many time the attendant is still collecting the dumpsters from the dump or have already locked and are gone 10 minutes prior to the end of the day. If they need to leave early and have hours extended at the end of the day that should be allowed. Frustrating when you show up At 10 minutes before closing and they are gone or make you feel like an inconvenience.	11/23/2023 11:43 AM
18	Some hours on Saturday are required	11/8/2023 2:28 PM
