

Corporation of the Municipality of Temagami  
**Memorandum to Council**

Memo No.

2024-M-021

<b>Subject:</b>	Temiskaming Municipal Association Regular Meeting
<b>Agenda Date:</b>	<b>February 8, 2024</b>
<b>Attachments:</b>	None

**RECOMMENDATION**

BE IT RESOLVED THAT the Council for the Corporation of the Municipality of Temagami does hereby receive report 24-M-021 from the Municipal Clerk Rhonda Smith for information purposes.

**INFORMATION**

The Regular Meeting was held on January 25<sup>th</sup>, 2024 in Earlton. Clayton Seymour made a presentation to the group to discuss the Mandatory Community Risk Assessment. There are nine (9) profiles to be covered in the document which include:

- 1. Geographic profile:** The physical features of the community, including the nature and placement of features such as highways, waterways, railways, canyons, bridges, landforms and wildland-urban interfaces.
- 2. Building stock profile:** The types of buildings in the community, the uses of the buildings in the community, the number of buildings of each type, the number of buildings of each use and any building-related risks known to the fire department.
- 3. Critical infrastructure profile:** The capabilities and limitations of critical infrastructure, including electricity distribution, water distribution, telecommunications, hospitals and airports.
- 4. Demographic profile:** The composition of the community's population, respecting matters relevant to the community, such as population size and dispersion, age, gender, cultural background, level of education, socioeconomic make-up, and transient population.
- 5. Hazard profile:** The hazards in the community, including natural hazards, hazards caused by humans, and technological hazards.
- 6. Public safety response profile:** The types of incidents responded to by other entities in the community, and those entities' response capabilities.
- 7. Community services profile:** The types of services provided by other entities in the community, and those entities' service capabilities.

**8. Economic profile:** The economic sectors affecting the community that are critical to its financial sustainability.

**9. Past loss and event history profile:** The community's past emergency response experience, including the following analysis:

1. The number and types of emergency responses, injuries, deaths and dollar losses.
2. Comparison of the community's fire loss statistics with provincial fire loss statistics.

**Note:** Each profile is to be interpreted as extending only to matters relevant to fire protection services.

It is important to note that this document does NOT have to be adopted by Council, and does not have to be submitted to the OFM (Ontario Fire Marshall). After July 2024 an email will be sent to Ontario Municipal Clerks for compliance confirmation.

Jeff Barton from the Jack Munroe Historical Society made a short presentation to the members regarding a new documentary about 'Jack Munroe' that they have made and are hoping that various Municipalities would be willing to show this film to their residents. Jack Munroe also wrote a book called 'Mopping Up' which is in the first person through his dog's eyes. The book can be purchased through the Historical Society or at the Elk Lake Museum.

Not only was Jack a prominent figure in local mining history but he has also been inducted into the Canadian Boxing Hall of Fame. [Famous And not Forgotten: Underdog Pugalist Jack Munroe \(montanapress.net\)](http://montanapress.net)

The next meeting will be on March 28<sup>th</sup>, 2024 in Earlton at 6:30pm.

**Respectfully Submitted**

**Rhonda Smith**
