Good morning.

Please share this with your council and senior management.

FONOM, with [FedNor's](#) generous financial support, has created 16 videos showcasing to the GTHA business community what awaits them in Northern Ontario. The video series was called [GoNorth!](#) The videos have been viewed over a million times, all or in part. Drew Gauley from Temiskaming Shores' [GoodGauley Productions](#) produced the content for our GoNorth Campaigns.

Suppose your community was looking for **Northern Ontario** Social Media content. Please feel free to use and share any or all of the content in the attached Dropbox folder.

FONOM is currently exploring creating a third round of videos. If your community has a business that could be a good showcase for the North, please share your ideas with us.
