**RECOMMENDATION**

BE IT RESOLVED THAT Council the correspondence from the Timiskaming Health Unit dated April 17, 2024 regarding Agreement with THU for Community Safety and Well-Being Plan;

AND FURTHER THAT Council agree to participate in the 2-year service agreement, to facilitate coordinator recruitment and retention, at an annual cost to Temagami of \$3,242;

AND FURTHER THAT Council authorize and direct the Mayor to sign the agreement for the period of August 1, 2024 to August 31, 2026.

**INFORMATION**

In July of 2023, Council received staff report 2023-M-156 regarding Temagami's opportunity to participate in a joint effort between the District of Timiskaming Social Services Administration Board and the Timiskaming Public Health Unit to create the Municipality's provincially required Community Safety and Well-Being Plan. It advised that the Timiskaming Public Health Unit had assumed the administration and human resources required to continue with this plan.

The attached correspondence from the Health Unit explains that all municipalities have officially resolved to adopt the plan and have agreed in principle to contribute toward a district-wide funding approach for resources to support implementation of the plan based on sample apportionment allocation. The CSWB Steering Committee is proposing a 2-year service agreement, to facilitate coordinator recruitment and retention. The amount requested will not increase between years during the commitment period and municipalities will be billed twice per year. The proposed apportionment amount for the Municipality of Temagami would be \$3,242 per year.
