Re: Free use of space for Temagami EarlyON programs

Dear Mayor and Council,

The Temagami EarlyON offers free programs for children and their parent/caregiver. They provide a friendly environment that fosters positive learning with a wide range of quality programs and services to help children reach their full potential, with:

- Programs designed especially for young children with their parent
- Play-based learning experiences that are fun and engaging – such as drawing, building, creating, physical activity and much more
- Advice from professionals trained in early childhood development
- Information or referrals to specialized programs and services
- Opportunities to meet and make connections with families.

We are looking for accessible, free space in Temagami/Temagami North to offer a variety of programs based on the needs of local families. We offered weekly public skating free for families in partnership with the Recreation Department this past winter and it was a great success.

Locations of interest are as follows:
Community Centre Hall / Kitchen
Bunny Miller Theatre
Community Centre Fields / Washrooms

We would include these locations on our liability insurance as well as ensure the space is left clean and organized. Access could range from once a week to monthly, depending upon type of program offered.

I can be reached by phone at 705-648-1258 or via email progdir@timiskamingchildcare.ca. I look forward to your reply.

Sincerely,

A handwritten signature in blue ink that reads 'Kim Jackson RECE'.

Kim Jackson RECE
Program Director
