The Royal Canadian Legion

The Royal Canadian Legion, Branch 408 is planning to hold a fish fry on Sept.7, 2024 at the Legion. We would also like to have an outdoor patio to facilitate dining. *Legion Parking lot.*

The patio will be enclosed with snow fencing with only one entrance. The patio will be Smart Serve staffed.

I trust this information will be sufficient for the Municipality to give the Legion permission for the use of the patio for this event.

Thank you for your consideration.

Yours truly,

Raymond Richmond
