July 2, 2024

Mayor & Council
Municipality of Temagami

Temagami Curls has recently registered as a Not-for-Profit Corporation; we operated a successful curling league from January to March 2024. We were able to attract 19 members our first season and offered weekly curling for 4 teams. This coming season we are planning on increasing our membership to 28 and will have 6 teams curling weekly as well we will increase our curling season to begin in late October 2024 to March 2025 with the plan to have at least one bonspiel during the season.

The opportunity to bring curling back to Temagami has been an economic benefit to the Municipality of Temagami - Parks and Recreation; our curlers are paying membership fees to rent the arena ice weekly and the curlers generously supported the Arena Canteen weekly.

Curling has brought social and recreational benefits back to our community during the winter season.

Temagami Curls is requesting a donation from the Municipality of \$1,000.00 towards the purchase of 3 Traditional Scoreboards for the arena that will cost approximately \$2,000.00. There are currently 2 scoreboards at the arena that have no numbers and are in need of replacement. (They were unusable last season.)

We thank you for your consideration.

Debbie Morrow
Chair
Temagami Curls
