Subject: Mine Landing Transfer Station staff

Dear Mayor and Council

I would like to publicly compliment the summer staff at the Mine Landing for their efforts this summer. Both Denis and Rick were always helpful, cheerful and courteous throughout the summer.

At times things were very hectic there, particularly Saturday mornings when all youth camps had to dispose of two days of trash after the Friday closures. Rather than silt around they would offer to help either tying off boats or helping carry stuff to the respective bins.

I think the system is working as well as can be expected except for the Friday closures which exacerbates things the Saturday morning after. Perhaps this could be addressed somehow.
