Subject: Council meeting tonight

Hi Sabrina,

As suggested by Laala, we would like to make a brief statement tonight. The statement is only a few lines long, and has to do with the project Living Temagami is presenting. We'd like to get ahead of it as we are no longer in collaboration with them but they have not removed us from the project.

At the last meeting John and someone online spoke briefly at the beginning, but I didn't know if we needed to indicate our intention beforehand.

Please let me know if that's okay.

Thanks so much,

Amber
