RECOMMENDATION

BE IT RESOLVED THAT Council re-appoint Mayor Dan O'Mara to the Board of Au Chateau Homes for the Aged as Temagami's representative.

INFORMATION

The Municipality of Temagami is part of Au Chateau Homes for the Aged, a 162-bed facility located in West Nipissing, is managed by a Board of Management.

Temagami has historically appointed one member to this Board, with Mayor Dan O'Mara serving as our representative. Over the past three years, the Council of Temagami has explored options to remove the municipality from its "obligations" to Au Chateau due to the disproportionate financial burden on our ratepayers. Despite efforts to withdraw, these attempts have not been successful.

Although the Municipality of Temagami still does not agree with the requirement to be part of the Au Chateau Board and contribute financially to its operations, it is important that we continue to have representation on the Board. Mayor Dan O'Mara, while continuing to protest this obligation, has expressed his interest to be re-appointed as the Temagami Representative to ensure that our concerns are heard and addressed.

This re-appointment will allow the Municipality of Temagami to maintain a voice on the Board while continuing to advocate for fair treatment regarding our financial responsibilities and representation.
