INCIDENTS

- October 2nd Incident #25 ~ 6:20 am
Highway 11 N and the Marten River Provincial Park ~
Transport blocking highway
Members of the Marten River Fire Department were called out in response to a transport blocking all lanes with rear trailer in ditch. Fire fighters illuminated scene and controlled traffic in thick fog Transport blocking all lanes with rear trailer in ditch to prevent accidents.
- October 30th Incident #26 3:38pm
Highway 11 N south of Rattler Road
Tree on Hydro Line on Fire
Members of the Marten River fire Department attended the scene, and located the tree that had been burning on the hydro line. At this point the tree was only smoldering. Ontario Provincial Police were on scene and advised the fire department they were not require. The officer stated he would remain on scene, monitor the tree, and wait for hydro. As the lines were still live there was little could be done until hydro attended the scene.

FIRE PREVENTION INITIATIVES

Marten River Fire Department Members updated the sign out front of the Fire Hall to encourage Fire Safety and Preparedness within the Community.

Additional Information

The Marten River Volunteer Firefighting Team Association is pleased to say that work on the new helipad that will accommodate night landings is almost complete. The pad is in place, and cones and lighting should be completed in the coming weeks.
