Dear Mayor O'Mara: *Dan,*

I want to thank your delegation for meeting with me at this year's Association of Municipalities of Ontario conference.

I appreciate being able to learn about your community's concerns regarding Temagami landing and the Temagami Barge case. It is important that we continue to collaborate on shared issues to find mutually beneficial solutions.

My ministry's district staff plan on initiating discussions with municipal leaders and primary stakeholders, including Temagami Lake Association and Temagami First Nation. These conversations will aim to explore the feasibility of developing a management plan for the specified area based on the principles of the 2007 Temagami Crown Land Recreational plan.

If you have any further questions, my office is happy to help. Please contact Holly Fullager, Director of Stakeholder Relations, at 437-224-6690 or holly.fullager@ontario.ca.

Thank you again for meeting. I look forward to continuing our work together.

Sincerely,
