Flight Operations Alert

Title: Marten River -R121 New Helipad Location
Alert #: 7506406-FO-ALRT-XXX R0
Applies to: All Rotor Pilots
Issue Date: January 15, 2025
Issued By: Manager, Flight Operations

Please be advised that Marten River (R121) has developed a new helipad, located directly east of the original site. The new helipad is designed to support both day and night operations, enhancing operational capabilities in the area. The new pad will become operational on January 16, 2025, at 0700.

A copy of the plate for the new helipad is provided below for your reference. This plate will be incorporated into the next issue of the Company Heliport Manual (CHM), which is scheduled for publication in the coming days.

Please familiarize yourself with the updated information and ensure that your operations are adjusted accordingly.

If you have any questions or require further clarification, do not hesitate to reach out.
