Mayor and Council:

Once again, a group of local citizens and avid fishermen on Lake Temagami have begun planning the Annual Ling Fling. The event is to be held on Saturday March 15th, 2025, 2-4 pm. This is the last Saturday of the March Break that sees many families here and always looking for a way to get out and socialize.

All proceeds from this are donated to the Temagami and Area Fish Involvement Program (TAFIP). In the last 9 years we have held the Fling 5 times and donated just over \$25,000.

The organizers are asking permission to use the Mine Landing, in the area that usually would house the Transfer Station. This location has served the event well as it is accessible to all.

Also, a cash donation from the Municipality would be greatly appreciated and helpful in assisting us in achieving and surpassing our fundraising goal in support of the Hatchery.

New this year, TAFIP is helping out by providing the Certificate of Insurance and obtaining the Lottery Licence so that we can hold a raffle and gift certificate draw.

We thank you for your continued support of this event.

Sincerely
Penny St Germain
Fling Organizer
