

Mayor, Council
& Staff

Just a note to say Thank you for your contribution to the 2025 Ling Fling, with a change in the date we were worried that it would not be well attended but over 200 people dug into their pockets allowing us to donate \$3,376.60 to the hatchery. Allowing us to use the Transfer station was great to keep everyone out of the wind that day and the monetary donation was truly appreciated!

Thank you!!!
