Temagami Canoe Festival (TCF) will be held in Temagami on July 21-22, 2018 at the Temagami Waterfront. The mission of the Temagami Canoe Festival is to provide a summer celebration that highlights the area's rich canoeing history as well as create an economic, social and tourism event. This festival has become a favourite event in the north over the last few years and we hope to continue with the success again this year. Some of the highlights of this year's festival include two days of live music (arranged by Temagami Artistic Collective), The Voyageurs event, food and craft vendors, workshops, demos, canoe clinics, canoe races, historical talks, old-growth guided hikes and Temagami First Nation drummers and singers.

We have partnered with Temagami Artistic Collective and thank the Municipality of Temagami for the continued support of this event and hope that the Municipality of Temagami will partner with TCF with the following support:

1. Use of the Waterfront and the Bunny Miller Theatre free of charge, and coverage for liability insurance.
2. Minimum of 2 marquis tents set up at the Waterfront, 1 outdoor stage, 28 tables and 40 chairs and the large sound system.
3. Electrical power to the outdoor stage —2 separate 15-amp feeds.
4. 2 (two) assistants/students per day to assist (July 21 and July 22, 2018).

The goal of the Temagami Canoe Festival is to increase tourism visits to the area and provide a positive economic impact for Temagami and surrounding businesses.
