RECOMMENDATION

This memorandum is:

To recommend that Council consider the following motion:

BE IT RESOLVED THAT: Council receive Memo 2017-M-033 submitted on behalf of the Public Works & Water Advisory Committee regarding the Waste Management Contracts and the accompanying staff memo 2017-M-038 regarding Procedural Considerations for Public Works Advisory Committee Recommendation;

AND FURTHER THAT: Council adopt the recommendation of the Public Works & Water Advisory committee that Council authorize that the current Waste Management Contractors continue operations of the waste management sites until April 30, 2018.

AND FURTHER THAT: Council direct staff to draft a by-law amendment for Council's consideration for each of the waste management contract by-laws to provide an annual increase of 3% and a retroactive payment from the date of the end of the contract's initial 3-year term.

INFORMATION:

The current waste management contracts expired on February 13, 2016. The Contractors have continued to perform the work on a month by month basis, in accordance with the over-holding clauses in the contracts.

Should Council approve an increase of 3% the calculation for the retroactive payment is approximately \$3,009.74 and an annual increase of \$2,702. 97 per year.

The Public Works & Water Advisory committee recommends that the Contractors continue operations of the waste management sites, in order to allow staff and committee a period of assessment and evaluation of our current contracted services.
