**Subject:** Residential Tenancies Board

Hello Elaine,

As of July 1st, the Residential Tenancies Board will no longer deal with complaints from tenants about conditions of their properties. The responsibility will be transferred to Municipalities to investigate complaints and provide enforcement with landlords.

I would like to submit my name to sit on the Municipal of Temagami's Tenancies Board that will deal with issues and concerns brought to them by tenants.

Thank you for your consideration,

Suzanne Prefasi
