To whom it may concern,

I am requesting the use of the lake front area in front of the Welcome Center in Temagami from 12 noon until 2 PM to facilitate a presentation hosted by myself as a member of the Indigenous community of the area as we celebrate Aboriginal Day (Thursday June 21 , 2018). It is the intention to present the Indigenous perspective in a celebratory way of our beautiful homeland, referencing Past, Present and Future.

I understand the Town will be setting up a tent/stage area at some point in June in preparation for the Canada Day celebrations. If it is possible, it would be a plus to have the tent/stage set up for the Aboriginal Day celebration. But, I understand, this may not be possible because of the short notice.

Thank-you for your consideration of this request. Meequetch!
