Attention: Municipal Council

Dear Madame Mayor

At the Tuesday June 5<sup>th</sup> 2018, LaTempra Executive meeting the Executive reviewed the Upgrades to the Lake Temagami Access Road briefing note to Minister Gravelle the former Minister of Northern Development and Mines that was presented to him in Toronto dated January 22, 2018. We were very pleased with the report and efforts of our current Council to get the Redevelopment of the Temagami Access Road on the Government's Agenda. We also noted from past Council minutes that further discussion with the Government was still being worked on.

Following the recent Provincial Election and the defeat of the Liberal Government we now request that Council immediately follow up with the New Provincial Government and take the necessary steps to get this raised again with the New Minister and Ministry Staff to see if we can get any commitment to this project or at least a future meetings to discuss it. Also resending this to our local MP John Vanthof might also be beneficial as he may be able to provide some advice and direction as to how to get this issue on the new Government's Radar. If there is anything La Tempra can do to assist please let us know...

Thank you

Sincerely

Gerry Gooderham
