Dear Mayor and Council,

Living Temagami would like to take this opportunity to thank the Mayor, Council and the Municipality for the ongoing support we have received over the past year we have been in operation. It has made a huge difference in our ability to engage the community. Presently Living Temagami is looking into some funding that will require letters of support from the Municipality and other community organizations depending on the application requirements. We would like to ask in advance for your support and direction to staff that they be allowed to draft letters of support when needed and for appropriate areas of funding. Thank you very much for your assistance.

Regards,

Roxanne St. Germain
