As part of the Prime Minister's World Teacher's Day statement, the 2019 Prime Minister's Awards competition is now open!

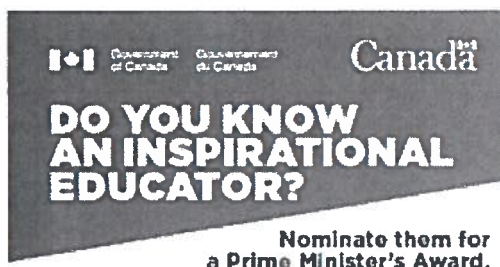

Teachers play an important role helping to build the next generation of successful, caring, and creative Canadians. We all remember a teacher that changed our lives. The Prime Minister's Awards for Teaching Excellence, Teaching Excellence in STEM, and Excellence in Early Childhood Education honour exemplary teachers and early childhood educators who are preparing our youth for the innovation economy.

Prime Minister's Awards recipients can receive:

- Cash awards worth up to \$5,000
- A certificate from the Prime Minister
- National recognition and promotion of their best teaching practices

The Prime Minister's Award program would like to thank the RBC Foundation for their generous support towards the recipient's monetary awards.
