August 30, 2018

The Right Honourable Justin P.J. Trudeau  
 Prime Minister of Canada  
 House of Commons  
 Ottawa ON K1A 0A6

Dear Prime Minister Trudeau,

**Re: NAFTA – Dairy Supply Management Program**

At the regular meeting of Council held August 29, 2018, the following resolution was carried:

**Moved by H. Foster – Seconded by C. Gerrits**

**Be it Resolved That:**

WHEREAS it appears that Mexico and the U.S.A have come to an agreement on trade terms and now intense scrutiny is on Canada as our negotiators attempt to come to an agreement as well, and our Dairy Management system is once more front and centre in the news;

WHEREAS supply management means that our Canadian dairy farms produce enough milk for Canadians and Canada allows 10% import of tariff free dairy products and the U.S.A caps tariff free imports at about 2.75%, so the U.S.A also protects their dairy industry;

WHEREAS we want our dairy products to continue to be produced on Canadian farms, under the strictest animal welfare, milk quality and food safety standards in the world;

NOW THEREFORE the Township of Amaranth, as a predominantly farming community, urge the Federal Government to not allow a foreign party to interfere with our Dairy Management System and that it be removed from all North American Free Trade Agreement (NAFTA) negotiations;
