Dear Carolyn ,

We have completed our assessment of your application dated October 19, 2018 requesting support under the Community Economic Development priority of FedNor's Northern Ontario Development Program (NODP).

FedNor is committed to supporting projects that have the greatest potential for regional impacts and economic and business growth, as well as those that generate short to medium-term measurable results.

After careful review of your Phase One application, it has been determined that your proposed "Temagami Canoe Festival" project may now proceed to Phase Two. You will need to complete and submit the attached Detailed Application, and/or provide FedNor with a business plan that clearly describes the proposed project activities, economic benefits, detailed costs and timelines. Please also complete and attach the accompanying lobbying form and cost forecast to the Detailed Application form prior to submission.

The information you provide will be reviewed and assessed against NODP eligibility criteria and current program priorities, and will enable FedNor to complete its due diligence and render its decision. Please note that applicants cannot assume that financial

support will be provided until written approval is obtained from FedNor. Should you proceed with this project prior to receiving a decision from FedNor, you do so at your own risk.

I am available to assist you with preparation of your Detailed Application and supporting documentation, and can be contacted at the coordinates below.

Thank you for your interest in FedNor's Northern Ontario Development Program. We look forward to receiving your Detailed Application.

Sincerely,

Denise Deschamps
