

**PUBLIC WORKS DEPARTMENT
MONTHLY REPORT
February 2019**

ROADS	<ul style="list-style-type: none"> • Pushed banks back – Mine Rd and Town and cut trees in some area's. • Push banks back – Temagami North and Arena • Recieved bumps signs and installed some on the other rual roads. • Graded Mine road to smooth out the bumps but now we will change blades and scarify it ASAP when we get caught up with snow. • Snow plowing and snow removal for most days of this month. All Roads are being done again ASAP • Worked with ONR to clear X – ings in TN and TS twice in a month to keep tracks smoother for crossing.
WATER & SEWER	<ul style="list-style-type: none"> • Grinder Pumps - repairs and maintenance, also changed 2 grinder pumps in residenses. • Temagami South Pump House -Parts are in for new backwash pump. Install did not happen because OCWA and Contractor were waiting for more parts.and they are now in. Waiting for install schedule from OCWA. • Sent Rebecca Marshall info on ECA for TN Lagoon
EQUIPMENT	<ul style="list-style-type: none"> • Grader, loader, large truck maintenance is on going • 2014 Freightliner Truck had exhaust tempature issues/ sent to Frieghtliner and they changed a sensor and faulty rad cap, wheel bearing seal and reset computer and all is ok now <p>2018 Frieghtliner had transmission codes come up and we could not reset them so took it to Frieghtliner in North Bay and they checked it all out and it was ok, so they reset computer but light came on again so they are looking at what could be wrong. We had a transmission service done</p>

	<p>before X-mas for this same problem. Waiting to hear back.</p> <ul style="list-style-type: none"> • 2009 Ford 4x4 – Heater/ Fan motor not working, tried changing fuses but found the problem we figure is in the switch or relay. Cobalt Car Clinic is looking at it now. • 1 ton is loosing its prime on the fuel system and is hard to start, PW checked for leaks but found nothing so will take it up north to get looked at when the 2009 ford is repaired and returned.
WASTE MANAGEMENT	<ul style="list-style-type: none"> • Strathy Landfill – pushed domestic and wood waste, also Banks at Briggs were pushed back and Garbage pushed in hole so there is more room for garbage. It was completed on Feb,20/2019. • Picked up New Trailer and brought to Strathy landfill till spring • On February 15th 2019 there was training on the camera's at the Mine Landing. Barry,Debbie,John,Heather were trained but there's a couple issues we are working on to get cleared up but camera's are working.
BUILDINGS	<ul style="list-style-type: none"> •
PARKS & REC	<ul style="list-style-type: none"> • Arena Maintenance – All tempered was glass installed on ice surface • 2 Hot Water tanks in Zamboni room that were installed in 1998 started leaking and not keeping up with hot water, we found out these tanks are rented so we are installing a on-Demand system that now adays save us money and will do the same. About \$ 50.00 dollars a month on rental. PW will help remove old tanks off stand for them. • New Eye wash stations were installed at arena. (New Bottles) • Public Works Helped with Shiverfest Activities such as clearing snow for the bond Fire, all Exits cleared out, sliding hill ready, saw horses, ECT... • One furnace motor blew and had to be replaced, ordered new one and was replaced on February 20/ 2019 by K&S who is a local business man. • Repaired snow blower with new bearings and belts, working good now • Transport plug in's not working so I had Temagami Electrical come and test/ replace them and all is working find now.

	<ul style="list-style-type: none"> • All out door lights are being looked at and or being replaced because they are not working at arena • Shiverfest was very well attendant and all had a great time.
CAPITAL PROJECTS (2019)	<ul style="list-style-type: none"> • New Cat Loader and blade were delivered on February 12th 2019 and training was completed on the unit to most of the staff that day and the 2 that missed were showed the next day by staff. • Pictures of loader with council and staff were taking. • Rabbit Lake Access Point - MNRF permit is still on going for wall replacement. • Temagami North Docks – MNRF permit is still on going for dock replacement. • Lake Temagami Access Point – Contacted Ontera regarding phone lines need to be lifted. Have not heard a reply yet.
CAPITAL PROJECTS (2018)	
BUDGET (Operations 2019)	<ul style="list-style-type: none"> • Temagami South Water Treatment Plant - 3 furnaces need to be replaced. Getting quotes asap due to heater failure. • 2019 Capital Budgets for Public Works have been submitted. • 2019 Capital Budgets for Parks and Rec have been submitted
